EDITORIAL

During the more than 15 years we have published KNITKING MAGAZINE, we have suffered our share of growing pains. It was not an easy task for a company whose main business is the importation and distribution of knitting machines, to develop, prepare and circulate what is now recognized as the worlds finest English language Knitting Machine Magazine.

Because KNITKING MAGAZINE is a non-profit publication, prepared as a service to knitting machine owners, it has always been important that everybody in our offices donate some time to its preparation, so everybody, executives, sales people, office workers, teachers, bookkeepers and mechanics, etc., is involved to some extent with the preparation of each edition, even if it is just the final envelope stuffing of each issue as it is prepared for mailing.

Our publication is now reaching subscribers in 18 different countries and its popularity has grown so rapidly in Great Britain since its first distribution there by Bedford Sewing and Knitting Machines Ltd., approximately one year ago, that starting with the next issue, we will be printing a special edition for the U.K. market.

We take this opportunity to thank our readers for their enthusiastic response to KNITKING MAGAZINE with a special thanks to those who have taken the time to write directly to us. We look forward to a lengthy, pleasant association with you all.

If you reside in the United Kingdom or Eire, please place your subscriptions direct with BSK Limited, 13 Lime Street, Bedford, MK 40 1LD. We know you will find them a good company to do business with.

KNITKING YARN CATALOGUE

Because of the International distribution of KNITKING MAGAZINE, we have experienced some problems in the choice of yarns for use in our patterns. The yarns we normally use are not available on an International basis so we have for the past year, been searching out and testing yarns that are available in the majority of countries to which we send KNITKING MAGAZINE. We are close to a decision regarding our selection of yarns for future use but will not be able to prepare a new Catalogue until the final selection is made. We will advise you in a future edition of KNITKING MAGAZINE. In the meantime, we still have stocks of any yarn we are currently using for our garments.

General Instructions

HOW TO READ THE CHARTS AND INSTRUCTIONS

There are 3 sizes given for each Pattern in KNITTING MAGAZINE. Above each Chart for the different sizes, you will see that the first and smaller sizes might be shown as 8/10, the second size as (12/14) and the third as [16/18]. Check the measurements at the bustline and hips on the Charts to be certain that you will knit the correct size, remembering these are ACTUAL measurements of the completed section and that there must be a bigger allowance at the bustline and hipline for a Jacket or a Coat than there would be for a fitted dress or a fitted blouse or pullover. The question in your mind should be "How do I want this garment to fit...?"

When you have chosen the size you need, you can follow the Charts as shown. You will notice that where the shapings are the same FOR ALL SIZES, only 1 set of shapings will be shown on the first Chart and if you are knitting the 2nd or 3rd size, you simply follow the shapings as given for the first size. If the shapings are different, this will be shown on the Charts and you should follow them as given.

On the Charts, increases and decreases will be shown as follows

$\begin{matrix} 5x1 \\ \boxed{6} \end{matrix}$ The number in the box means number of ROWS between the shapings, while the 5x1 above the box means - 1 st. 5x... so you will increase or decrease 1 st. every 6th row 5x.

ARMHOLE SHAPINGS - NECK SHAPINGS - SHOULDER SHAPINGS - are made on every 2nd row UNLESS there is a number in a box along side or below the shapings. The rule is... where there is no box with a number, the shaping is made on every 2nd row.

THE PRINTED INSTRUCTIONS

You can follow the printed instructions or use them in combination with the Charts. Where there is any question in the printed instructions, you have the Charts to show you how the section will look.

The 3 sizes, with the different amounts of cast on stitches and the different shapings will look like this...

Cast on 124 (136) [148] sts. You will
Cast on 124 sts. for the first size.
Cast on 136 sts. for the 2nd size.
Cast on 148 sts. for the 3rd size.

The important thing to remember is that you MUST READ AHEAD so that you KNOW what to do for the size you are knitting. Sometimes where the number of stitches are the same but the number of times different, you will find shapings like this... 3 sts. 1x (2x) [3x], 2 sts. 1x (2x) [3x], 1 st. 3x (4x) [5x]. As you see, you MUST read ahead in order to follow the instructions as given for YOUR SIZE. The rows will be different for the different sizes in some cases... Shoulder and Neck shapings usually are worked at the SAME TIME for the back section - so watch for the words AT THE SAME TIME.

HOLDING STITCHES ON THE LEFT SIDE WHILE SHAPING THE RIGHT SIDE

When knitting a section of garment in stockinette stitch, it is easy to hold the stitches on the left side while knitting the right half, but when knitting a Pattern Stitch such as a Norwegian Design, a Holding Position Design, Weaving, etc., you should use the following method. For the NECK SHAPING, we tell you to bind off the center sts., put the needles on the left into holding position and complete the right half first... so with a strand of contrast yarn, knit ALL of the left side stitches manually by hand, pulling each stitch back against the needle bed to the OUT OF WORK position. When the right side is completed, carefully pull the stitches held on contrast, forward into working position and as you do so, undo the contrast yarn, line up the needles (KNITTING AM 3 machine owners, put the stitches under the sinkers) and complete the left half.

If you own a Japanese machine, you may find that when knitting the right half with the left side held in this way, the sinker plate will mark the left side while you are knitting the right half. To prevent this marking, you can tape a piece of paper over the knitting, underneath the sinkers, or if you own a Reversing Bar, you can hang this onto the Sinkers while you are knitting the right half. When hanging the Reversing Bar, be sure the eyes of the bar go BETWEEN the Sinker Posts on the upper part of the bar so that the tips of the bar only - show above the needle bed.

FULL FASHION DECREASING OR INCREASING

For Stockinette stitch, always use the Full Fashion method for increasing or decreasing.

TO DECREASE: Hang the 3rd stitch onto the 2nd stitch then move the stitches in to fill the empty needle.

TO INCREASE: Move the 2 end stitches 1 needle outward, then pick up the 3rd stitch from the row below and hang it onto the empty needle.

FINISHING: Block all sections. For PULLOVERS, JACKETS, and DRESSES: Join front to back at sides and shoulders. Sew sleeves together and set in. Hem lower edge and sleeve edges if needed. For a double neckband or armhole band, sew 1 edge to the inside and 1 to the outside of neck or armhole. For a single ribbed band, sew 1 edge to the outside of neck or armhole edge. For a cardigan or jacket with buttonholes, finish buttonholes and sew on buttons.

PANTS: Join front to back at sides. Sew inside leg seams, then join center front and back. Make hem at waistline and insert elastic. Hem lower edge of pants legs.

THE SAMPLE SWATCH

Before you begin to knit any garment, you will need to knit a sample piece using the yarn you have chosen for your garment, so that you can check the stitch and row gauge which must measure the correct number of stitches and rows in 5 cm (2 inches).

For each Pattern in KNITTING MAGAZINE, we give you 3 tension numbers to work from and if you use the specified yarn for the garment, you should be able to get the correct stitch and row gauge using one of these numbers. Here is a very easy way to make your sample swatch and count the stitches and rows without actually counting, by using our KNITTING Converta Tape.

Supposing the Tension Numbers for the Stitch and Row Gauge are given as 5 to 7. Set the Tension Dial to the first number which is 5. With contrast waste yarn, and using the quick cast on method, cast on 60 stitches and knit 10 rows. Change to garment yarn and turn the Row Counter to 0. Knit 30 rows. Counting from each end, knit the 10th stitch on each side by hand with a small piece of contrast yarn. Leave the needles in working position and knit 30 rows (Row 60), then knit 4 rows with contrast waste yarn. Turn the Row Counter to 0 and the Tension Dial to 6 and with garment yarn, knit 30 rows. Mark the 10th stitch on each side as you did before, knit 30 rows, then 4 rows with contrast waste yarn. Turn the Row Counter to 0 and with Tension 7, repeat the above once more, ending with 10 rows of contrast waste yarn. Remove the work from the machine by passing the Slide across the needles without yarn (sometimes called 'dropping'). Pull and stretch the sample piece both lengthwise and diagonally from corner to corner, then lengthwise again. Do not count the stitches and rows immediately, but allow the sample to rest for several hours or even over night. This will allow the stitches and rows to return to their basic form.

When your sample has rested and you are ready to count the stitches and rows, the KNITTING CONVERTA TAPE will do the counting for you without any counting on your part. Use the Tape as follows:

Measure the stitches with the TAPE, BETWEEN the 40 stitches marked with contrast waste yarn. Push the SLIDE so that the LEFT EDGE lines up to this exact measurement. Now look down along side the SLIDE and find the number 40 on the TAPE. The number directly opposite on the SLIDE will be your Stitch Gauge to 5 cm (2"). To find the number of rows in 5 cm (2"), place the TAPE to measure over the 60 rows, push the SLIDE to this number with the left edge lined up, the look for the number 60 on the TAPE and directly opposite this will be the number of rows to 5 cm (2")

If you do not own a KNITTING CONVERTA TAPE, you must mark a 5 cm (2 inch) square in the center of the knitting, then count the number of stitches and rows within the square.

WOMAN'S BLOUSON

SIZES: 12 to 16
YARN: Fortissima
GRAMS: 600
GAUGE: Pat. A = 6 to 7
Pat. B = 5 to 6
GAUGE: Pat A = 15 sts. 18 rows = 5 cm
Pat B = 15 sts. 21 rows = 5 cm

There are 3 different Patterns used plus K2, P2 Ribbing for the Bands. Pattern A is formed by following the explanation given with the written instructions. Pattern B is an eyelet design and you must punch your own card.

Pattern C is Garter stitch and is made by turning the work EVERY ROW using the Reversing Bar.

FINISHING: See General Instructions. Make cord and pull through above the waistband.

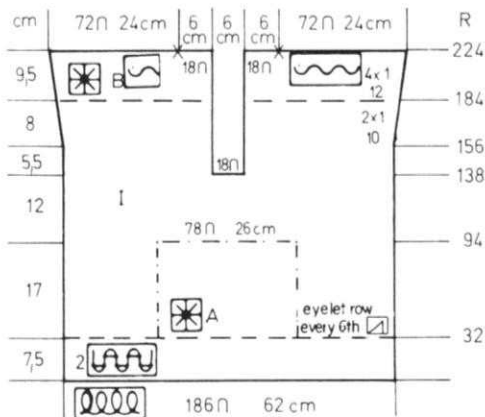

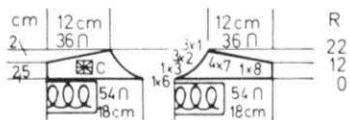

PATTERN A
*Knit 10 rows. Bring all the needles forward so that the stitches go behind the latches. Make sure all the needle latches remain open. Place the yarn BY HAND, across the open latches and KNIT EACH STITCH BY HAND, pulling the stitch ALL THE WAY BACK AGAINST THE BACK NEEDLE RAIL ("A" position). The stitches are really knitted only HALF WAY. Leave the stitches in this position until you have them all knitted and lined up. Now, carefully pull the knitting forward into knitting position (do not allow the sts. to go behind the latches - just bring the needles to the front edge of machine). Be sure to hang weights on the knitting. REPEAT FROM * FOR PATTERN.

FRONT BANDS: Make 2. On one side of split, pick up 10 sts. and work garter stitch for as long as you need. Repeat for other side. Sew these bands in place.

NECKBAND: Cast on 10 sts. and work in garter stitch long enough to go around neckline. Sew band in place.

12 to 16

POCKET BANDS:

Pick up 50 sts. along pocket edge and work 8 rows Ribbing. Bind off.

BACK YOKE:

With knit side facing you, hang the center 54 sts. of the back onto the machine, then ON EACH SIDE, hang 2 sts. on each needle (126 sts.). *Knit 1 row, reverse the knitting*. REPEAT FROM * to * for Pattern C, BUT AT THE SAME TIME, ON EACH SIDE, after Row 12, SHAPE SHOULDER: Bind off 8 sts. 1x, 7 sts. 4x. After Row 22, bind off the remaining sts.

BACK: II

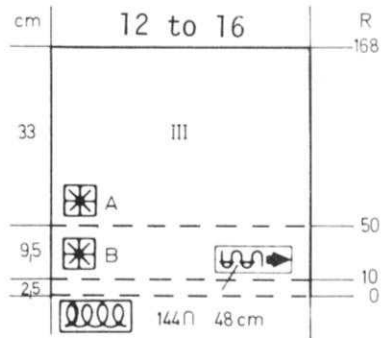

Cast on 186 sts. and work 32 rows Ribbing. Transfer the Ribber sts. to main machine, knit 1 row. Transfer every 6th st. to adjacent needle (eyelets for cord), leave empty needles in working position. Knit 1 row. Continue in Pattern A. After Row 156, ON EACH SIDE, increase 1 st. every 10th row 2x. After Row 184, continue in Pattern B AND AT THE SAME TIME, ON EACH SIDE, increase 1 st. every 12th row 4x. After Row 224, remove the sts. onto contrast waste yarn after marking the center 54 sts. for neck.

FRONT YOKE:

Bring 54 needles into working position. Hang the sts. (with knit side facing you) of 1 front onto machine beginning with front edge, hang the first 18 sts. then double up on the next 36 sts. Work in Pattern C, reversing the knitting ON EVERY ROW same as you did for the back yoke and AT THE SAME TIME, ON NECK SIDE, bind off 6 sts. 1x, 3 sts. 1x, 2 sts. 3x, 1 st. 3x and AT THE SAME TIME after Row 12, SHAPE SHOULDER same as the back. REPEAT the instructions for 2nd half.

FRONT: I

Cast on 186 sts. and work 32 rows Ribbing. Transfer the ribber sts. to main machine and work the eyelet same as you did for the back. Leave the center 78 sts. in working position and put the sts. ON EACH SIDE into holding position. Work in Pattern A over the center sts. to Row 94 then remove these sts. onto contrast waste yarn. Cast on over these same needles, Put Counter at 34 and work in pattern to Row 94. Put these sts. into holding position. Bring 1 side into working position, Counter at 34 and work in Pattern to Row 94. Repeat for other side. Bring all needles into working position, hang the sts. held on waste yarn onto the center needles. Counter at 94 and continue in Pattern A to Row 138. Bind off the center 18 sts. and work 1 side at a time. *After Row 156, ON SIDE EDGE, increase 1 st. every 10th row 2x. After Row 184, Continue in Pattern B and AT THE SAME TIME, ON SIDE EDGE increase 1 st. every 12th row 4x. After Row 224, remove onto contrast waste yarn but mark the 18th st. for front neck. Put Counter back to 138 and work the left half. Knit to Row 156 then follow the instructions from *.

SLEEVES: III

With contrast waste yarn, cast on 144 sts. After knitting 8 to 10 rows, change to garment yarn and put counter at 0. Work 10 rows Stockinette stitch then continue in Pattern B to Row 50. Continue in Pattern A to Row 168. Bind off.

WRISTBANDS: Make 2.

Hang the open sts. of the sleeve back onto the machine, decreasing to 72 sts. Work 34 rows Ribbing then bind off.

After Row 256 (260) [264] SHAPE SHOULDER and watch for neck shaping. FOR SHOULDER: ON EACH SIDE, bind off 4 sts. 5x, 3 sts. 2x (4 sts. 7x) [4 sts. 5x, 5 sts. 2x] AT THE SAME TIME, after Row 260 (264) [268], bind off the center 20 sts., put the needles on the left into holding position and complete the right side first. *ON NECK SIDE, bind off 3 sts. 2x. (3 sts. 2x). [3 sts. 2x, 2 sts. 1x]. Bring the needles on the left into working position, knit 1 row to the left side, turn the Row Counter back to 260 (264) [268] and complete the left half. Follow the instructions from * and don't forget to complete the shoulder shaping.

BACK: II

Cast on 106 (114) [122] sts. and work in Pattern. Knit to Row 168 (172) [172]. SHAPE ARMHOLE: ON EACH SIDE, bind off 4 sts. 1x, 3 sts. 1x, 2 sts. 1x, 1 st. 2x. (4 sts. 1x, 3 sts. 1x, 2 sts. 2x, 1 st. 2x). [4 sts. 1x, 3 sts. 1x, 2 sts. 2x, 1 st. 3x].

MASON JAR CAP COVERS

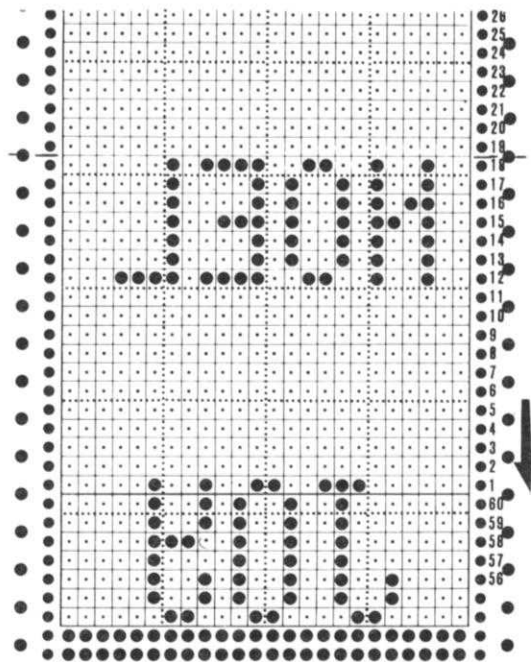

YARN: Amore
 GRAMS: 50 White (Will make 18
 50 Red to 20)

TENSION: 3
 GAUGE: Not important

PATTERN: Norwegian (Fairisle) technique.

FINISHING:

Purchase Mason Jars in 1/2 pint size for small candies or gifts - or you can use pint size or quart size for larger gifts.
 Cut 2 very small Holly leaves out of green felt and attach anywhere on the knitted cover, anchoring the leaves with a red sequin and bead.
 Mark a circle around a Mason Jar seal on a 3x5 card (or any very thin cardboard). Cut around the circle.
 Cut off one of the knitted squares.
 Put a wad of cotton in the center of the card and cover with the knitted square then staple closely around.
 Cut off the excess knitting around the circle. Set into outer ring of jar and cover the bottom with the seal.
 You can put a bit of rubber cement around the edges of the seal to make it stay put.

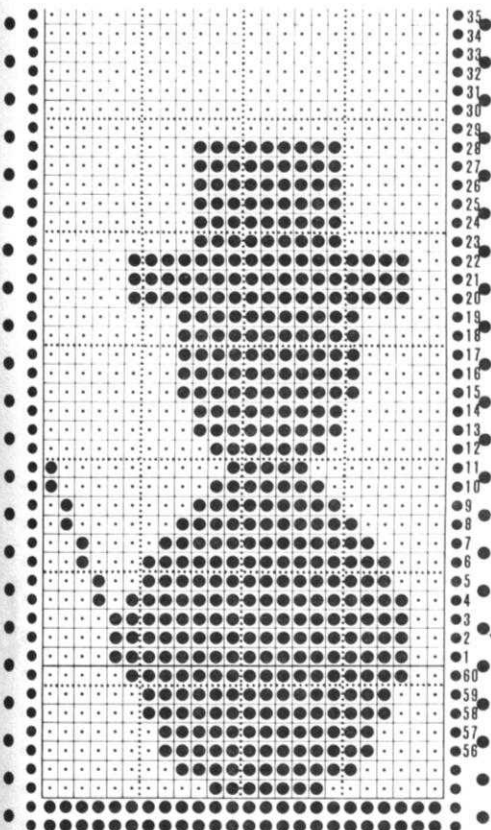

With contrast waste yarn, cast on 30 sts. over needles 14 on the left of 0 through 15 on the right of 0. Knit 10 rows waste yarn, then change to white and put Counter at 0.

Knit 13 rows ending with Carriage on the left side. Insert Card, set on STOP: Set Cam to KC, knit 1 row to right (to set the needles) Put Card on GO and push in MC Button. Attach red yarn and knit the word JOY.

When completed and the needles are all in work, stop Card, remove red yarn and with white only knit 14 rows Stockinette stitch.

With contrast waste yarn, knit 10 rows.

NOEL: Knit in the same manner as JOY. (You can make the covers in strips then cut them apart).

GAUGE: 14 sts. 18 rows = 5 cm (2")

A Norwegian Design. Punch your own Card.

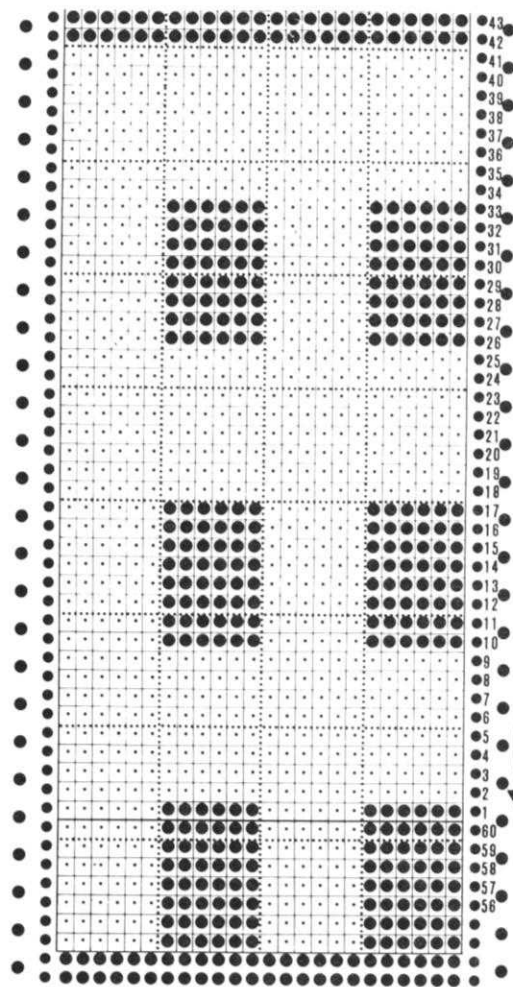

FINISHING: Press gently and smooth edges. Slip Stitch crochet the open sts. together on the wrong side then remove waste yarn. Cut eyes, nose and mouth from black felt (or you can embroider the face). Sew 1 side then stuff with polyester fiber fill and close opening. Make trims as follows: Use a 10 inch box top and wind yarn around it 30 times. Cut only 1 end. Fold in half and tie in the center then sew onto pillow. Make 4 in red and 2 in white. Sew one red one to each side of top of pillow and one red one to each side of lower ends of pillow then sew then white ones in center of the lower edge. Braid the two white ones and two lower red ones and tie and trim. Puff up the upper red ones and tie then trim.

For correct Pattern set-up, cast on from needle 48 on the left through 54 on the right. (102 sts.). Begin and end with contrast waste yarn.

*Start with 8 rows red but set Card on STOP, machine on KC BEFORE knitting the 8th row from left to right. Put Card on GO, push in MC Button and work card with red and white. Each time you come to the plain red rows, it is a good idea to remove the white from B Feeder.

Knit 104 rows (ending with plain red rows). STOP CARD. Set Row Counter to 0 and REPEAT from * for second half. Remove onto contrast waste yarn.

DRESSY SCARF

YARN: Micaela
GRAMS: 100 (approx.)
TENSION: 9 or 10
GAUGE: Not important

An Eyelet Design with needles out of work. Punch your own Card.

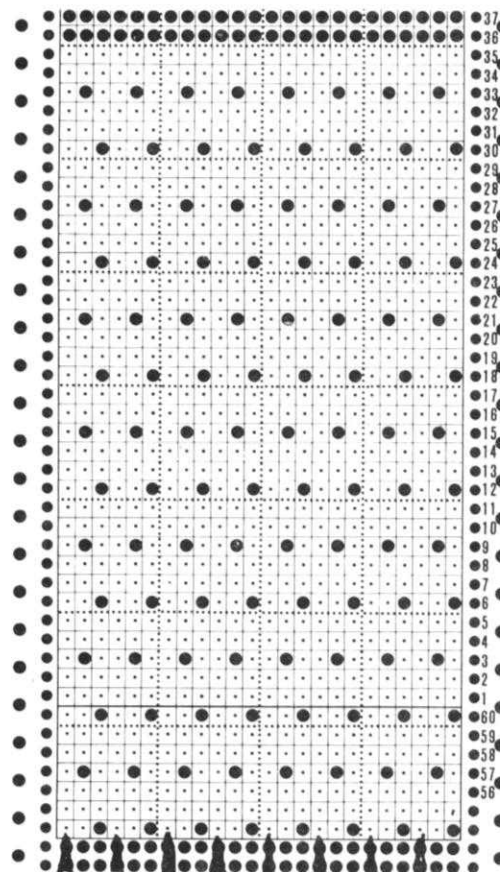

FINISHING: Slip stitch crochet through the open stitches at each end, working a chain stitch between each space. Remove the waste yarn. Wind yarn around a 6 inch cardboard then cut only one end. Use 3 or 4 strands, fold in half to make fringe. Put fringe into every large space.

Bring into working position, needle 27 on the LEFT of 0, then all needles to the right through needle 32 on the right of 0.

Beginning with the first needle to the RIGHT of 0, put this then every 3rd needle back to the out of work position all the way across on each side.

With contrast waste yarn, cast on over the remaining 40 needles. Knit 10 rows, then change to Venetia and put Counter at 0.

Work in Lace Pattern (knit 2 rows before using Lace Carriage) to Row 500 (or for as long as you wish). Work 10 rows Stockinette stitch with waste yarn. Remove the work from the machine.

KNITTING NEWS

PRACTICAL KNITTING HINTS

HANG OPEN STITCHES OF SHOULDERS AND BIND OFF

The Pullover DK 907, tells you to remove the shoulder sts. onto waste yarn. An easy way to seam the shoulder is to hang the open stitches onto the machine and then bind them off in this manner.

Hang the back shoulder with knit side (OR RIGHT SIDE) facing you onto the machine, then push the sts. so that they go behind the latches.

Now hang the front shoulder sts. with purl side (OR WRONG SIDE) facing you onto these same needles and leave them in the hooks of the needles.

Pull each front shoulder stitch through the back shoulder stitches, then bind off the crochet method.

COMPUKNIT KH 910 ELECTRONIC KNITTING MACHINE

Simply stated... the COMPUKNIT KH 910 is the most advanced Home Knitting Machine on the face of the earth...

Three years in the designing stage and more than a year of exhaustive prototype testing before proceeding with production... Now each and every single machine undergoes several hours of testing before receiving a stamp of approval.

When you take delivery of a KH 910 COMPUKNIT, you can be sure of its efficiency and the greatest versatility of any home knitting machine ever made. Your machine will carry the approval of the Underwriters Laboratory... Its computer will not cease to function when an aircraft flies over your house or a diesel truck passes your door... A built in noise barrier eliminates those possibilities.

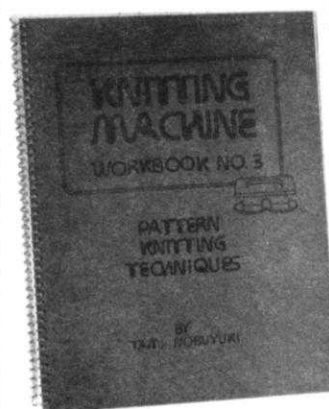

When you program your design on a COMPUKNIT, it is not cancelled out if there is a power cut or if you pull the plug from your 110 volt electricity outlet... Your COMPUKNIT has a memory unit that will retain the program for many months, even without a power supply... There are no unsightly cables attached to the carriage of the KH 910 and its transformer (it reduces 110 volts to 12 volts) is built in.

The more we use the COMPUKNIT, the more we are amazed at its capabilities. We have been importing knitting machines for more than a quarter of a century. During that time we have seen the introduction of many brands and styles but never have we seen one such giant step forward as is made with the COMPUKNIT KH 910. Never have we been so excited over any single knitting machine... Would you believe we are producing single motif designs over the full width (200 needles) of the COMPUKNIT needle bed...? and every newspaper and every magazine we look at becomes a source for pictures and designs that can be reproduced on the incredible COMPUKNIT KH 910.

As a reader of KNITTING MAGAZINE, you are almost certain to own a brand name knitting machine and like most knitting machine owners, you see no point in trading up unless there is some revolutionary change in knitting machine function and design. Well, this is it....!! The all new fantastic, versatile yet easy to use COMPUKNIT KH 910 is here and we are offering tremendous trade-ins.

Tell us the brand, model and condition of your present machine and you will be amazed at our generous trade-in offer... and when you use your own COMPUKNIT, you will agree... There is no other knitting machine in the world to compare with it.

NEW BOOK FROM TAMI NOBUYUKI

Here's No. 3 in the excellent series of books written by Tami... No. 1 is her Basic Knitting Techniques book... No. 2 is Ribbing Techniques... and the new No. 3 is Pattern Knitting Techniques. We highly recommend this new book. It covers Pattern Stitch work with Punch Card machines, with Push Button machines and with machines that require manual selection. It covers the punching of your own cards including lace cards. It has a very detailed chapter on the preparation and shaping of a garment, and another on the new and fascinating picture weaving technique that Tami has developed. There are lots of worthwhile Tips and Techniques. The book is well worth its price of \$16.95. You can order direct from KNITTING, 1128 Crenshaw Blvd, Los Angeles, Calif. 90019. California residents add \$1.02 Sales Tax. The mailing costs are \$1.50.

NEW BOOK OF LACE TOPS AND SKIRTS

Here's a marvelous new book with 8 gorgeous lace outfits, all with stunning permanently pleated skirts. Although instructions are in Japanese, all measurements are in centimeters and all punch cards are illustrated so that you can punch your own. The garments can all be made on KH 840, KH 830 and KH 820 knitting machines. The low price of the book is \$3.95 (Order direct from KNITTING) California residents add 24 cents Sales Tax. Mailing costs are 40 cents.
