Our new Yarn Catalogue is almost ready... It will be available before the next issue of KNITKING MAGAZINE ...We are telling you about it so that that you can send in your order and we can mail you a new Catalogue immediately we take delivery... The price is \$2.00, postage paid anywhere in the U.S.A. (California residents add Sales Tax)... The \$2.00 is deductible from your first order of \$20.00 or more.

We do not know of any American company that mass produces Yarn Catalogues so we have to go to Europe for them... This presents many problems and lengthy delays in the mailing back and forth of proofs for checking and correcting etc... additionally it seems that it has become almost impossible for manufacturers to stick to promised delivery dates. Anyway, it does seem that we have at last overcome all the problems involved in the production of a new Catalogue.

The new range of KNITKING YARNS is truly outstanding. It includes yarns to satisfy all tastes: 100% pure wools, gorgeous dressy yarns, superb easy care acrylics, space dyed yarns, tweed yarns, boucles, etc... and for the first time ever, we are including a range of our own exclusive cone yarns.

All KNITKING MAGAZINE subscribers should have a KNITKING Yarn Catalogue... Magazine garments are made with KNITKING Yarns and the special discount prices offered to magazine subscribers is made to encourage you to re-subscribe (the savings on some individual garment can more than cover a years subscription) and to encourage you to use only top quality yarn in the knitting of your garments. If you prefer other yarns, you should still own a KNITKING Catalogue so that you can check weights of yarn and stitch gauges with your own source.

Watch for our September/October magazine... it will feature a handsome collection of fall clothes with something for all members of the family and made with marvelous new KNITKING YARNS.

# General Instructions

## HOW TO READ THE CHARTS AND INSTRUCTIONS

There are 3 sizes given for each Pattern in KNITKING MAGAZINE. Above each Chart for the different sizes, you will see that the first and smaller sizes might be shown as 8/10, the second size as [12/14] and the third as [16/18]. Check the measurements at the bustline and hips on the Charts to be certain that you will knit the correct size, remembering these are ACTUAL measurements of the completed section and that there must be a bigger allowance at the bustline and hipline for a Jacket or a Coat than there would be for a fitted dress or a fitted blouse or pullover. The question in your mind should be "How do I want this garment to fit...?"

When you have chosen the size you need, you can follow the Charts as shown. You will notice that where the shapings are the same FOR ALL SIZES, only 1 set of shapings will be shown on the first Chart and if you are knitting the 2nd or 3rd size, you simply follow the shapings as given for the first size. If the shapings are different, this will be shown on the Charts and you should follow them as given.

On the Charts, increases and decreases will be shown as follows

5x1

**6** The number in the box means number of ROWS between the shapings, while the 5x1 above the box means - 1 st. 5x... so you will increase or decrease 1 st. every 6th row 5x.

ARMHOLE SHAPINGS - NECK SHAPINGS - SHOULDER SHAPINGS - are made on every 2nd row UNLESS there is a number in a box along side or below the shapings. The rule is... where there is no box with a number, the shaping is made on every 2nd row.

## THE PRINTED INSTRUCTIONS

You can follow the printed instructions or use them in combination with the Charts. Where there is any question in the printed instructions, you have the Charts to show you how the section will look.

The 3 sizes, with the different amounts of cast on stitches and the different shapings will look like this...

Cast on 124 (136) [148] sts. You will

Cast on 124 sts. for the first size.

Cast on 136 sts. for the 2nd size.

Cast on 148 sts. for the 3rd size.

The important thing to remember is that you MUST READ AHEAD so that you KNOW what to do for the size you are knitting. Sometimes where the number of stitches are the same but the number of times different, you will find shapings like this...

3 sts. 1x (2x) [3x], 2 sts. 1x (2x) [3x], 1 st. 3x (4x) [5x].

As you see, you MUST read ahead in order to follow the instructions as given for YOUR SIZE. The rows will be different for the different sizes in some cases... Shoulder and Neck shapings usually are worked at the SAME TIME for the back section - so watch for the words AT THE SAME TIME.

## HOLDING STITCHES ON THE LEFT SIDE WHILE SHAPING THE RIGHT SIDE

When knitting a section of garment in stockinette stitch, it is easy to hold the stitches on the left side while knitting the right half, but when knitting a Pattern Stitch such as a Norwegian Design, a Holding Position Design, Weaving, etc., you should use the following method. For the NECK SHAPING, we tell you to bind off the center sts., put the needles on the left into holding position and complete the right half first... so with a strand of contrast yarn, knit ALL of the left side stitches manually by hand, pulling each stitch back against the needle bed to the OUT OF WORK position. When the right side is completed, carefully pull the stitches held on contrast, forward into working position and as you do so, undo the contrast yarn, line up the needles (KNITKING machine owners, put the stitches under the sinkers) and complete the left half.

If you own a Japanese machine, you may find that when knitting the right half with the left side held in this way, the sinker plate will mark the left side while you are knitting the right half. To prevent this marking, you can tape a piece of paper over the knitting, underneath the sinkers, or if you own a Reversing Bar, you can hang this onto the Sinkers while you are knitting the right half. When hanging the Reversing Bar, be sure the eyes of the bar go BETWEEN the Sinker Posts on the upper part of the bar so that the tips of the bar only - show above the needle bed.

## FULL FASHION DECREASING OR INCREASING

For Stockinette stitch, always use the Full Fashion method for increasing or decreasing.

TO DECREASE: Hang the 3rd stitch onto the 2nd stitch then move the stitches in to fill the empty needle.

TO INCREASE: Move the 2 end stitches 1 needle outward, then pick up the 3rd stitch from the row below and hang it onto the empty needle.

## NORWEGIAN DESIGNS:

In the instructions, each row of the Norwegian Design is counted as 1 row but several movements of the Cam Box (or Slide) are needed to complete 1. row.

## NORWEGIAN DESIGN WHEN USING THE PATTERN READER

When you use the Pattern Reader and knit a Norwegian Design using several colors, it is necessary to move the Trip Control Lever so that only 1 row registers.

FINISHING: Block all sections. For PULLOVERS, JACKETS, and DRESSES: Join front to back at sides and shoulders. Sew sleeves together and set in. Hem lower edge and sleeve edges if needed. For a double neckband or armhole band, sew 1 edge to the inside and 1 to the outside of neck or armhole. For a single ribbed band, sew 1 edge to the outside of neck or armhole edge. For a cardigan or jacket with buttonholes, finish buttonholes and sew on buttons.

PANTS: Join front to back at sides. Sew inside leg seams, then join center front and back. Make hem at waistline and insert elastic. Hem lower edge of pants legs.

## THE SAMPLE SWATCH

Before you begin to knit any garment, you will need to knit a sample piece using the yarn you have chosen for your garment, so that you can check the stitch and row gauge which must measure the correct number of stitches and rows in 5 cm (2 inches).

For each Pattern in KNITKING MAGAZINE, we give you 3 tension numbers to work from and if you use the specified yarn for the garment, you should be able to get the correct stitch and row gauge using one of these numbers. Here is a very easy way to make your sample swatch and count the stitches and rows without actually counting, by using our KNITKING Converta Tape.

Supposing the Tension Numbers for the Stitch and Row Gauge are given as 5 to 7. Set the Tension Dial to the first number which is 5. With contrast waste yarn, and using the quick cast on method, cast on 60 stitches and knit 10 rows. Change to garment yarn and turn the Row Counter to 0. Knit 30 rows. Counting from each end, knit the 10th stitch on each side by hand with a small piece of contrast yarn. Leave the needles in working position and knit 30 rows (Row 60), then knit 4 rows with contrast waste yarn. Turn the Row Counter to 0 and the Tension Dial to 6 and with garment yarn, knit 30 rows. Mark the 10th stitch on each side as you did before, knit 30 rows, then 4 rows with contrast waste yarn. Turn the Row Counter to 0 and with Tension 7, repeat the above once more, ending with 10 rows of contrast waste yarn. Remove the work from the machine by passing the Slide across the needles without yarn (sometimes called 'dropping').

Pull and stretch the sample piece both lengthwise and diagonally from corner to corner, then lengthwise again. Do not count the stitches and rows immediately, but allow the sample to rest for several hours or even over night. This will allow the stitches and rows to return to their basic form.

When your sample has rested and you are ready to count the stitches and rows, the KNITKING CONVERTA TAPE will do the counting for you without any counting on your part. Use the Tape as follows:

To measure the stitches, pull out the Tape to measure BETWEEN the 40 stitches in the center that you marked by hand knitting with contrast waste yarn - Push the red marker on the Tape so that it points to 40 stitches on the Tape. Your stitch gauge to 5 cm (2 inches) will shown in the red window on the tape. To find the number of rows in 5 cm (2 inches), place the tape to measure over 60 rows, push the red marker to 60 on the tape and your row gauge for 5 cm (2 inches) will show in the red window... Easy...? If you do not get the correct stitch and row gauge in the first part of your sample, then try the other two.

If you do not own a KNITKING CONVERTA TAPE, you must mark a 5 cm (2 inch) square in the center of the knitting, then count the number of stitches and rows within the square.

# KnitKING News

## LOS ANGELES COUNTY FAIR

This is the largest County Fair in the entire United States and it must be one of the most exciting... KNITKING has worked in many State and County Fairs throughout the country, and we have never seen any displays of needlecraft, knitting, macrame, weaving and other handicrafts to equal the quality of those shown annually in the Domestic Arts Building at the Los Angeles County Fair... and all made by amateurs... There is a division for machine knitters and we are always pleased to see the names of many of our customers as winners of ribbons.

KNITKING maintains a large permanent booth in the HOME BUILDING (Building Number 6) and each year we fill it with an outstanding display of gorgeous machine knits... We show and demonstrate our range of machines, KNITKING, BROTHER, BABY LOCK etc., and this year we will add the new JUMBO KNITTER... The Fair runs from Friday, September 17th through Sunday, October 3rd. We will be there daily from 10 am to 10 pm...open for business and ready to welcome old and new friends.

## SOUTHERN CALIFORNIA KNITTING MACHINE SEMINAR AND FASHION SHOW....

This is the BIG ONE...!! The one where all the top knitting machine companies are represented... The one that has many of the countries top demonstrators and teachers on hand to show you how to 'do it right' and the one that has the finest Fashion Show of machine knit garments you will find anywhere in the U.S.A.... The dates are the 16th, 17th, 18th and 19th of October and the place, the SHERATON ANAHEIM HOTEL.

The SHERATON is a relatively new hotel adjoining DISNEYLAND. The accommodations are excellent and the SEMINAR should be bigger and better than ever.

KNITKING will be there showing KNITKING, BROTHER, the new JUMBO KNITTER, BABY LOCK, KNITKING YARNS, tools and accessories, etc., etc... Our experts will be ready to help you with your knitting problems and we will have lots of 'SPECIALS' for you to take advantage of... All of our products will have 'Special Seminar Sale Prices' and there will be a display of beautiful KNITKING garments each day of the SEMINAR... TOYOTA, STUDIO, PASSAP and JUKI will all have representation and experts to guide you, so plan to be there.... it will be an exciting and beneficial experience.

This year the Banquet and Fashion Show will take place on Saturday, the 16th of October, starting at 12:00 noon. The inclusive price for the Banquet and Show is \$7.50 per person... The SEMINAR will run on Sunday, Monday and Tuesday, the 17th, 18th and 19th. The price of admission each day is \$1.50.

You can obtain tickets by writing direct to NEWTON'S KNITS at 9836 Garden Grove Blvd., Garden Grove, California. 92644..For hotel reservations, write direct to the SHERATON HOTEL, 1015 West Ball Road, Anaheim, California 92802. A single room is \$23.00... a double, \$29.00. Make your reservations early and avoid disappointment... We look forward to seeing you.

## KNITTING HINTS

In this issue of KNITKING MAGAZINE, the Man's Jacket HP 357 is not difficult to make, but it is IMPORTANT that you read the printed instructions and follow the sequence for knitting the sections as they are given. It is such an attractive Jacket, we are sure that many of you will want to knit it for that special man. Study the picture and you will understand why the front waistband is knitted after the front and side section has been completed first.

The little Girl's Dress and Coat, KK 346 and KK 347 were made by Jewel Normandin of Bakersfield California and were partially knit by hand using a garter stitch. It is such a cute outfit, we put it in the Magazine and simulated the garter stitch by working with 2 strands of yarn and using the purl side as the right side. Try a sample swatch. The bands are Ribbed instead of a garter stitch.

If you do not own a Ribber, you can use a Mock Rib for any bands, if you knit DOUBLE the amount of rows, then hang the hem. Every 3rd needle is left in the out of work position, but the empty needles are always counted in the stitch and row gauge.

Because of the placement of the single motifs on DK 349 and DK 350, look at the pictures and place the single motifs wherever you like. Of course you can punch your own cards for these special Patterns by following the Line Drawings.

# Yarn catalogue

It's late!!! but well worth waiting for... Our new range of yarns is absolutely fantastic... a fact you will realize immediately you start to use it... We have included yarns for all seasons.. all garments... all tastes and all pockets... We have superb Fine Wool Crepe Yarns for garments that demand perfect finish and a look of quality... We have gorgeous Metallic mixtures for that glamorous Evening Outfit you have been promising yourself... We have Sporty Yarns for Sporty Garments... We have hard wearing Acrylic for easy care and hard wear... We have lovely Blended Yarns to add color to your life... and we have, for the first time in our Catalogue, four new exclusive Cone Yarns.

Twenty five years of catering to the needs of machine knitters have gone into the preparation of the all new KNITTING YARN CATALOGUE and it is our best ever... Actual samples of all yarns and all colors are included.

Order your copy today... You deduct its price of \$2.00 (California residents add Sales Tax) from your first order of \$20.00 or more.
