

knittax 49-64 musterkarten

Utilisation des cartes de présélection (Musterkarten) KNITTAX

Lire les instructions des points de fantaisie comme un livre, ligne après ligne, de gauche à droite, et appliquer les indications dans le même ordre.

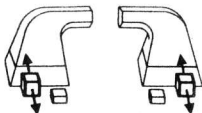

A. Placer la roulette indiquée sur la carte dans le chariot (voir mode d'emploi page 30)

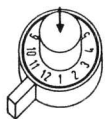

B. Placer le levier de mise hors fonction du cliquet dans la position indiquée sur la carte. Si les 2 chariots sont représentés c'est qu'il s'agit d'un point de fantaisie exécuté à l'aide du dispositif côtes.

F

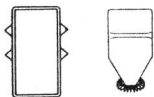

C. Lorsqu'il s'agit de points de fantaisie multicolores il faut placer le fil de la couleur indiquée.

D+E. Les flèches indiquent la position des touches de rappel d'aiguille. Si dans un rang il n'apparaît pas de flèche c'est que la position des touches est inchangée.

F. C'est sous ce symbole que sont placés les chiffres correspondants du bouton tournant à dessins. Lors du tricotage de pièces sans augmentations ni diminutions il faut toujours placer les mêmes chiffres. Le bouton tournant à dessins ne doit être poussé qu'au courant du rang pour lequel le chiffre a été choisi.

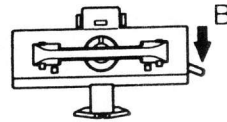

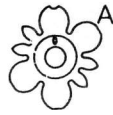

G. Pour certains rangs il est parfois nécessaire d'utiliser l'intervertisseur d'aiguilles, dans ce cas il faut le faire dans la direction de la flèche. Lors du tricotage de points de tisserand il faut placer le gros fil dans la direction de la flèche.

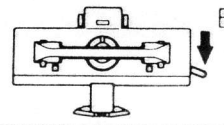

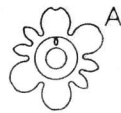

R

H. La flèche dessinée sous R indique la direction du mouvement du chariot ainsi que le nombre de rangs.

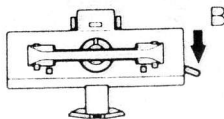

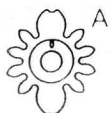

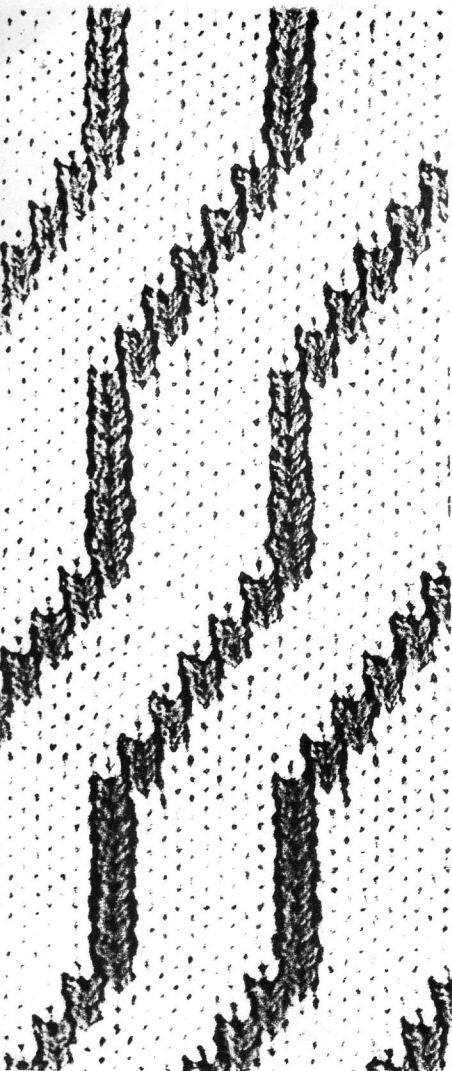

IIVHVIIIVIIIVIIIVIIIV Chaque 2e aiguilles est en position baissée.
