SINGER BASIC FASHIONS USING PATONS BLUEBELL OR 5 PLY HARMONY

These garments have been designed for all Singer Knitting Machines. The designs for adults and children cover pants, A-line and straight skirts, which, combined with jumpers or cardigans from the Classic 5 ply books 1 or 2 will make complete outfits.

This book has been designed for beginners. However, advanced knitters may like to add their own variations as stripes, or bands of fairisle.

NOTE: Tuck or weaving stitch designs are not suitable.

To ensure the success of your knitting the first part of this book has been devoted to advice on tensions, measurements, decreasing, hems and quantities of yarn.

Tensions

These garments have been designed for Patons Bluebell or 5 ply Harmony made by Patons in 100 gm balls.

In order to match the sizes shown in this book it is essential to produce the correct tension. The correct stocking stitch tension is:

30 stitches to 10 cm

42 rows to 10 cm

For all Singer machines we suggest Tension 6.2; however, as each machine varies, it is advisable to check your tension. Various colours and flecks can also affect the tension.

To check tension: Knit a sample with 60 stitches on a point one below suggested tension, e.g. T.6.1 – knit 60 rows and mark work, then change tension to 6.2 and knit 60 rows, then T.7.0 for 60 rows or use gauge scale. Remove the sample from the machine and leave for at least 12 hours before measuring.

Measurements

We have used average measurements; however, individual requirements may need the lengths to be altered. At the point for alteration the instructions have been marked "adjust here". For shorter lengths deduct 10 rows for each 2.5 cm and for longer lengths add 10 rows for each 2.5 cm. If altering lengths remember to alter all pieces to correspond.

Decreasing for these garments should not be obvious. To decrease place 2nd last stitch onto the last stitch then move both back onto empty needle. Push end empty needle out of action.

- For these patterns knit 26 rows.
- To form the hem, with the transfer tool pick up the stitches of the first row of main yarn above ravel cord and place onto the corresponding needles.
- There are now 2 stitches on each needle except one at the end.
- Loosen tension to one full number above normal tension, e.g., T.7.2.
- Knit one row.
- Reset tension to normal, e.g., T.6.2. and follow pattern instructions. After the piece has been completed pull out the ravel cord and the waste knitting will fall free.

Hems

- Select the number of needles required.
- Cast on, using scrap wool.
- Knit 11 rows and break off wool.
- Knit one row with ravel cord.
- Set tension at one full number tighter than normal tension, e.g., T.5.2.
- Join in main yarn.

Materials

The figures quoted are for Patons Bluebell 25 gm balls or 5 ply Harmony 100 gm balls. If alterations are made to lengths also alter quantities.

COMPLETION OF GARMENTS

Skirts

1. Press all pieces lightly with damp cloth.
2. Sew up 2 side seams – finishing 2.5 cm from top on one side.
3. See below for waistband.

Pants

1. Press all pieces lightly with damp cloth.
2. On adults', sew up side seams – sewing fronts to corresponding back pieces.
3. On all styles, sew up inside leg seams.
4. Turn both legs to wrong side.
5. Pin crutch seam together – matching inside leg seams.
6. With no. 11 crochet hook – commencing at front – crochet 2 right sides together, finishing 2.5 cm from top of back.

Note: The wool is hooked through the stitches, not over the edge, giving appearance of chain stitch. This method is more durable than ordinary stitching.

Waistbands

1. Fold edge over 2.5 cm to wrong side and slip stitch.
2. Thread elastic through opening to fit waist.
3. Press all seams lightly.
