

 INSTRUCTIONS for using PATTERN CARDS page 2

<p>PUSH BUTTONS Left right</p> 	<p>Button to be pushed down is illustrated by lowered black button. Innermost buttons of right and left set are release buttons. Push this button and lowered button of that set will be released. Push button 1 or 2 and the other button will be automatically released when in lowered Position.</p>
<p>PATTERN LEV.</p> 	<p>Pattern Lever is located at the center rear of carriage. It has three positions. PICK, KNIT-IN and CENTRAL or NEUTRAL position.</p>
<p>SIDE LEV. Left right</p> 	<p>There are two side levers, right and left. Position of each side lever is illustrated by ▼ "selecting" and ● "non-selecting". For continuous plain knitting, both side levers can be set at ● for quieter knitting.</p>
<p>DIRECTION AND ROWS</p>	<p>Each arrow indicates one stroke (one passage over working needles) of carriage and the direction of the stroke. Number of arrows indicates number of strokes within one procedure. If there are five arrows in one procedure, go across with carriage five times in the direction indicated without changing carriage setting and dials.</p>
	<p>For some lace patterns (with vacant stitches or openings), needle arrangement is thus shown. Needles to be pushed all the way back into inoperative position are shown by circles O. 0 indicates the center of the needle bed. Refer to Shift dial section under PATTERN PANEL in your instruction manual as to needle arrangement and 0 position.</p>

INSTRUCTIONS for using PATTERN CARDS page 1

ORDER	This is order of procedure or order of each step to follow but is not each row of knitting.										
<table border="1"> <tr> <th colspan="2">COLOR OF YARN</th> </tr> <tr> <th>FEEDER</th> <th>MANUAL</th> </tr> <tr> <td>D.Blue</td> <td>White</td> </tr> <tr> <td>"</td> <td>"</td> </tr> <tr> <td>"</td> <td>"</td> </tr> </table>	COLOR OF YARN		FEEDER	MANUAL	D.Blue	White	"	"	"	"	<p>This column will be left blank when knitting with one type of yarn or single color only. When knitting color patterns (knit-in color patterns) using two colors of yarn, one through the yarn feeder and another by manual feed (not two strands altogether as one both through the yarn feeder mixing colors), FEEDER column indicates yarn fed through the feeder. MANUAL column indicates yarn which you feed manually by passing yarn over working needles as illustrated below. Where MANUAL column is left blank, manual feed is to be omitted.</p> 
COLOR OF YARN											
FEEDER	MANUAL										
D.Blue	White										
"	"										
"	"										
<table border="1"> <tr> <th>COLOR OF YARN</th> </tr> <tr> <td>A</td> </tr> <tr> <td>B</td> </tr> </table>	COLOR OF YARN	A	B	<p>For some patterns on black and white sides, COLOR OF YARN is indicated by only A and B. For these patterns, there is no manual feed but only through the feeder. Change yarn in the feeder when so indicated, from A to B or B to A. Lay off idle yarn around the yarn hook at the side of the needle bed.</p>							
COLOR OF YARN											
A											
B											
<table border="1"> <tr> <th>PATTERN PANEL</th> </tr> <tr> <td></td> </tr> </table>	PATTERN PANEL		<p>Each of the three columns indicates dial position of the corresponding dial. Refer to pattern panel section of your instruction manual.</p>								
PATTERN PANEL											
											
<table border="1"> <tr> <th>CAM LEV.</th> </tr> <tr> <td></td> </tr> </table>	CAM LEV.		<p>Cam lever has following positions: — STOCKINET (working) for plain knitting. PICK (with PATTERN LEV. at PICK) for picked stitches. R (right) Off position when carriage comes from left to right. L (left) Off position when carriage comes from right to left. KNIT-IN (with PATTERN LEV. at KNIT-IN) for knit-in color patterns.</p>

KNIT-IN PATTERN

Unit pattern of 4 Sts. & 8 Rows

ORDER	This is order of procedure or order of each step to follow but is not each row of knitting.
COLOR OF YARN	This column will be left blank when knitting with one type of yarn or single color only. When knitting color patterns (knit-in color patterns) using two colors of yarn, one through the yarn feeder and another by manual feed (not two strands altogether as one both through the yarn feeder mixing colors), FEEDER column indicates yarn fed through the feeder. MANUAL column indicates yarn which you feed manually by passing yarn over working needles as illustrated below. Where MANUAL column is left blank, manual feed is to be omitted.
FEEDER	
MANUAL	
D.Blue White	
" "	
" "	
COLOR OF YARN	For some patterns on black and white sides, COLOR OF YARN is indicated by only A and B. For these patterns, there is no manual feed but only through the feeder. Change yarn in the feeder when so indicated, from A to B or B to A. Lay off idle yarn around the yarn hook at the side of the needle bed.
A	
B	
PATTERN PANEL	Each of the three columns indicates dial position of the corresponding dial. Refer to pattern panel section of your instruction manual.
CAM LEV.	Cam lever has following positions:— STOCKINET (working) for plain knitting. PICK (with PATTERN LEV. at PICK) for picked stitches. R (right) Off position when carriage comes from left to right. L (left) Off position when carriage comes from right to left. KNIT-IN (with PATTERN LEV. at KNIT-IN) for knit-in color patterns.

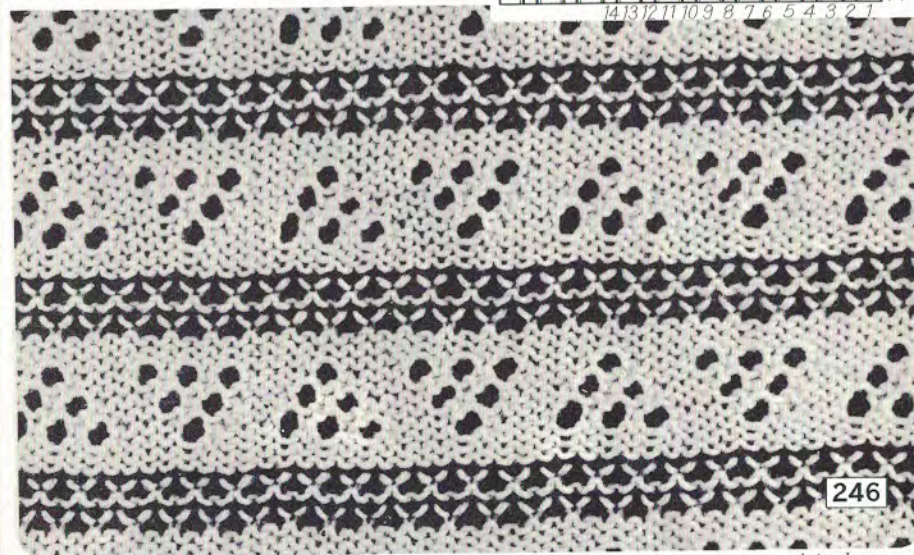

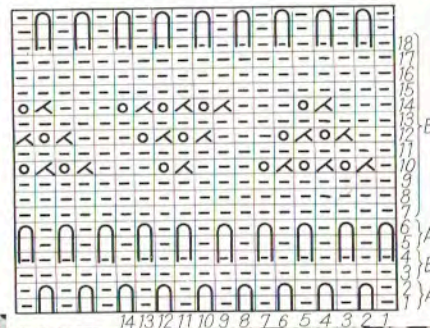

<p>PUSH BUTTONS Left right</p>	<p>Button to be pushed down is illustrated by lowered black button. Innermost buttons of right and left set are release buttons. Push this button and lowered button of that set will be released. Push button 1 or 2 and the other button will be automatically released when in lowered Position.</p>
<p>PATTERN LEV.</p>	<p>Pattern Lever is located at the center rear of carriage. It has three positions. PICK, KNIT-IN and CENTRAL or NEUTRAL position.</p>
<p>SIDE LEV. Left right</p>	<p>There are two side levers, right and left. Position of each side lever is illustrated by ▼ "selecting" and ● "non-selecting". For continuous plain knitting, both side levers can be set at ● for quieter knitting.</p>
<p>DIRECTION AND ROWS</p>	<p>Each arrow indicates one stroke (one passage over working needles) of carriage and the direction of the stroke. Number of arrows indicates number of strokes within one procedure. If there are five arrows in one procedure, go across with carriage five times in the direction indicated without changing carriage setting and dials.</p>
	<p>For some lace patterns (with vacant stitches or openings), needle arrangement is thus shown. Needles to be pushed all the way back into inoperative position are shown by circles O. O indicates the center of the needle bed. Refer to Shift dial section under PATTERN PANEL in your instruction manual as to needle arrangement and O position.</p>

KNIT-IN PATTERN

Unit pattern of 4 Sts. & 8 Rows

281

ORDER	This is order of procedure or order of each step to follow but is not each row of knitting.
COLOR OF YARN	This column will be left blank when knitting with one type of yarn or single color only. When knitting color patterns (knit-in color patterns) using two colors of yarn, one through the yarn feeder and another by manual feed (not two strands altogether as one both through the yarn feeder mixing colors), FEEDER column indicates yarn fed through the feeder. MANUAL column indicates yarn which you feed manually by passing yarn over working needles as illustrated below. Where MANUAL column is left blank, manual feed is to be omitted.
FEEDER MANUAL	
D.Blue White	
" "	
	MANUAL column indicates yarn which you feed manually by passing yarn over working needles as illustrated below. Where MANUAL column is left blank, manual feed is to be omitted.
COLOR OF YARN	For some patterns on black and white sides, COLOR OF YARN is indicated by only A and B. For these patterns, there is no manual feed but only through the feeder. Change yarn in the feeder when so indicated, from A to B or B to A. Lay off idle yarn around the yarn hook at the side of the needle bed.
	A
	B
PATTERN PANEL	Each of the three columns indicates dial position of the corresponding dial. Refer to pattern panel section of your instruction manual.
	☉ ☉ ☐ ☉
CAM LEV.	Cam lever has following positions: — STOCKINET (working) for plain knitting. PICK (with PATTERN LEV. at PICK) for picked stitches. R (right) Off position when carriage comes from left to right. L (left) Off position when carriage comes from right to left. KNIT-IN (with PATTERN LEV. at KNIT-IN) for knit-in color patterns.
