SINGER RAGLAN FASHIONS USING TORAYLON 2-PLY YARN

These raglan sleeved garments have been designed for all Singer Knitting Machines. The designs for children and adults cover cardigans with round or V necks and jumpers with round, polo or V necks — all styles may have short or long sleeves and can be combined with skirts from Classic Books 11 or 12.

This book has been designed for beginners. However, more advanced knitters may like to add their own variations as stripes, band of fairisle — or single motif fairisle.

NOTE: Tuck and weaving stitch designs are not suitable.

To ensure the success of your knitting the first part of this book has been devoted to advice on tensions, measurements, hems and ribs, fashion decreasing, buttonholes and quantities of yarn required.

Tensions

CAUTION

These garments have been designed exclusively for the yarns specified. We strongly recommend the use of this yarn to obtain the correct results.

These garments have been designed for Toraylon 2-ply yarn.

In order to match the sizes shown in this book it is essential to produce the correct tension.

The correct stocking stitch tension is:

32 stitches to 10 cm

48 rows to 10 cm

For all Singer machines we suggest Tension 2.2 however, as each machine varies it is advisable to check your tension. Various colours and flecks can also affect the tension.

To check tension: Knit a sample with 60 stitches one point below suggested tension, e.g., 2.1 — knit 60 rows and mark work — then change to tension 2.2 and knit 60 rows, then tension 3 for 60 rows or use gauge scale. Remove the sample from the machine and leave for at least 12 hours before measuring.

Measurements

We have used average measurements; however, individual requirements may need the lengths to be altered. At the point for alteration the instructions have been marked "adjust here". For shorter lengths deduct 12 rows for each 2.5 cm and for longer lengths add 12 rows for each 2.5 cm.

If altering lengths, remember to alter all body pieces and both sleeves if required. For cardigans the bands will also need alteration.

Fashion Raglan Decreasing

Method 1: With 3 eye transfer tool move stitches in one place. The third end stitch is now placed onto the fourth stitch.

Method 2: Place the fourth stitch onto the third stitch. With the 3 eye tool move the three end stitches in one place—thus filling the empty needle.

Method 3: Instead of decreasing one stitch every second row two stitches may be decreased every fourth row. Place the third and fourth stitches onto the fifth and sixth, then move the end two stitches in two places and filling the two empty needles. This will give a cable effect.

Hems and Ribbing

Instructions are given for both hems or ribbing, allowing for individual requirements.

Hems are turned up and may be completed on the machine or sewn by hand later.

There are two types of hems:—

1. Stocking stitch.
2. Imitation rib—where the given number of needles are selected and then every alternate needle is pushed out of action. When the hem is completed remember to put the alternate needles back into action.

Ribbing: The instructions are for K1, P1 or single rib using a ribber attachment.

Tensions: For stocking stitch hems the tension is one number tighter than the normal tension. For imitation rib and K1, P1 rib the tension is 2 numbers tighter than the normal tension.

Buttonholes

The correct placement of buttonholes is given in all cardigan bands. These may be worked in either K1, P1 rib or imitation rib.

K1, P1 Rib: 1. For small buttons—transfer the centre ribber bed stitch onto the above main bed stitch—there are now two stitches on one needle. Leave the empty rib needle in action and continue knitting.

2. For larger buttons—transfer the centre ribber bed stitch onto the above main bed stitch, then

transfer the next main bed stitch onto next ribber stitch. There will now be on each bed two stitches on one needle and one empty needle. Leave the empty needles in action and continue knitting.

Imitation Rib: The bands in imitation rib are made double the width and folded back—therefore on the same row 2 buttonholes are to be made on needles mentioned in the instructions and when folded are stitched together. To make the buttonholes—knit 2 stitches together and leave the empty needle in action.

Materials

The figures quoted are for Toraylon 2-ply yarn. If alterations are made to lengths also alter quantities.
