Aneto 2ply: Bouclé

The Knitwear Book

The superb range of designs included in The Knitwear Book have all been knitted in Knitmaster Bouclé and Aneto 2ply — two beautiful, lightly textured fashion yarns which are just perfect for lightweight Summer knitwear.

However, knit these same bright, fresh Summer designs in the darker, richer colours which are also available in these yarn ranges and you'll find they'll be equally perfect for your Autumn/Winter wardrobe, too.

The sizes range from 32″ to 42″ bust and have been carefully designed to be both stylish and extremely wearable for this whole size range.

Many of the designs are quick and easy to knit — so start knitting now and you'll soon have a whole new selection of beautiful fashion knits to add to your wardrobe.

Dolman sweaters, which are traditionally knitted sideways on a knitting machine, are always beautifully comfortable and flattering to wear. However, because they are knitted sideways, you don't often see a long-line version. We've made our dolman sweater long and easy to wear by adding on an extra Fair Isle border to the hem line.
