## Description Book for Model Book No.17

### Our PASSAP hints

In model book 17 you will find four different items which should be understood as mere suggestions. We have marked them with "T".

T 1814 - calendar : Knit any desired fairisle motif and mount knitting on a slightly smaller cardboard, making sure corners are square. Back with adhesive material. Make tubular knitted PASSAP cord as hanger. Attach printed calendar.

T 1884 - scrap cap : Start at top. With about <sup>120</sup> 100 sts knit 10 rows in 1:1 rib, bring all nds into W.P. and knit about 70 rows in fisherman's rib. 20 rows tubular. Transfer all sts to front bed and cast off loosely. Close seam, thread through cast-on edge and draw up.

T 1896 - shoulder bag : Knit two fairisle motifs the same size. Line with fabric and join seams to form bag. (If desired, knit and set in wedge shaped side panels.) For long strap knit small fairisle motifs.

T 1919 - evening bag : Instead of fabric use knitting of corresponding size in an attractive AX/N pattern. Sew bag to elegant frame. Suggested yarns : wool or Rayon with shiny thread or Lurex.

Have a good time !

# 1963 PASSAP - DUOMATIC \*

Flared skirt, knitted crosswise to body

**Size:**

10 pattern series = to fit a 70 cm waist. Skirt can be knitted with more or fewer series to fit larger or smaller sizes.

1 pattern series equals 7 cm at waist

for 10 pattern series 12 ozs medium synthetic yarn, 1 button

**Material:**

PASSAP DUOMATIC 3 3/4

PASSAP COMBI St.S 3 1/2, tension arm 4, yarn brake 4 1/2

Test square: 100 sts = 20,5 cm (8 1/8"), 100 rows = 18 cm (7 1/8")

Pattern: long stitch pattern with purlstitch stripes

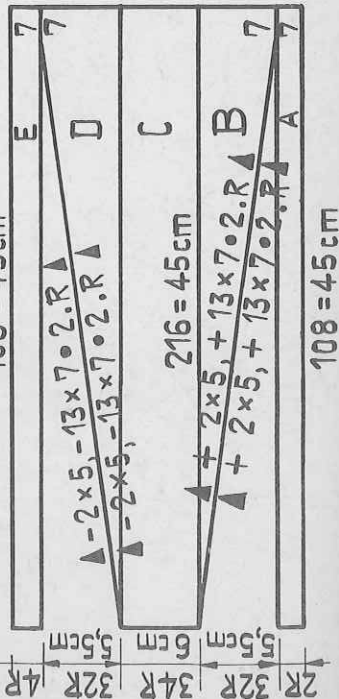

**Fig. VII + VIII:** Skirt. Left edge of knitting = waist, right edge = lower edge of skirt.

A = with contrast yarn cast on 108 sts on front bed and knit 2 rows with main wool. B = for long stitch pattern - on back bed - put 108 nds into W.P. For graduations set lock at back on BX↔ at front on BX O. At right back put 7 pushers into W.P., at left front return 101 pushers to R.P. at right front put 7 pushers into W.P. Knit 2 rows. Every alternate row put pushers into W.P. according to diagram, at back and at front (first 7, then 5) until all nds are working (32 rows). C = set lock at back on CX, at front on N and knit 34 rows straight. D = set lock at back on BX↔ at front on BX O, put all pushers into W.P. On back bed, starting at left, return pushers within blocking rail according to diagram, at front return pushers to R.P. E = transfer all sts to front bed (with transfer lock U 70). Knit 4 rows with lock set at back on GX, at front on N. For 70 cm waist measurement repeat sections B to E nine more times (10 times altogether) (knit only 1 row stocking st for the last section E.) then a few rows with contrast yarn, release.

**Belt:** Knit 380 rows according to diagram (17 sts on front bed). Then make button-hole as follows: at right back put 7 pushers into W.P., at front 9 pushers. Set lock at back on BX↔, at front on BX O. Knit 10 rows. Break yarn. Return pushers at right within blocking rail. At left put pushers into W.P. and knit another 10 rows. Break yarn, return all pushers within blocking rail. Set lock at back on CX, at front on N and shape point as follows: every alternate row, at both ends, decrease at front and back as follows: 5 times, hang 5 sts by 1 nd inwards (with quintuple decker) then 4, 3, 2 and 1 st inwards. The third nd on back bed is always out of work. Fix last 3 sts with graft stitch.

Material: 440metres length to 100 gr approx. 126 yards to 1 oz 10 cm = approx. 4"

In preparation for PASSAP COLOR, the new four-colour-changer for the PASSAP DUOMATIC, this magazine shows quite a number of gay and colourful models to ring the colour changes ! All that's newest in knitwear is there - different colours in lacy patterns or stocking stitch, stripes, fairisle or intarsia technique - they all provide a new, surprisingly beautiful, and stunning effect.

"Barter-look" is IN - that means you may interchange individual patterns to build up a new outfit. A man's shirt is transformed into a chemise dress and a trouser suit in "jeans look" is teamed with two sweaters and a flared skirt whereas a striped waistcoat matches a pair of trousers as well as a three-panel skirt.

Furthermore, you will get lovely holiday-type patterns when using our transfer lock U 70 in connection with AX patterns, with or without pushers.

With the help of our PASSAP friends from England, France, Greece, Italy, and Switzerland we succeeded to set up this new collection offering an abundance of patterns and ideas. We express our warm thanks to all who have helped us and hope you will have a really good time when creating your own PASSAP knits.

Yours PASSAP EXPORT

Before starting your work please study carefully the explanations given on pages 1 and 2

**Patterns:** The drawings refer to half width, the indications of stitch numbers refer to whole width of each part.

Figure I	= back	Figure IX	= pants
Figure II	= front	Figure X	= gusset
Figure III	= sleeve	Figure XI	= scarf
Figure IV	= collar	Figure XII	= cap, bonnet
Figure V	= border, cuff	Figure XIII	= mittens
Figure VI	= pocket	Figure XIV	= socks, stockings
Figure VII	= skirt, front	Figure XV	= straps
Figure VIII	= skirt, back	Figure XVI	= bra, halter, bodice, top

If the centre line of the half width is dotted and shows arrows, the other half is worked simultaneously with reversed shapings, i. e. decreasing or increasing is made on the left as well as on the right side.

If the centre line is drawn in one firm line, the other half is worked separately with reversed shapings, i. e. first knit one part according to diagram (increasing or decreasing at right), then the second part the opposite way (decreasing or increasing at left).

**Abbreviations:**

Col.	= colour of wool	○	= tubular ( or ) = half tubular
st, sts	= stitch, stitches	●	= every (in every row)
St.S	= stitch size	×	= times
Nd, nds	= needle, needles	+	= increase
R	= row	-	= decrease, cast off
T	= 2 rows	▲	= graduations (short rows)
		■	= for open work row hang st to the next nd, leave empty nd in W. P.

Stitches are only given by a number (without accompanying letter "st"). The stitch number always refers to the total of stitches, i. e. to all needles which are in Working Position on back and front bed.

Exception: For tubular or half tubular the necessary stitches are only given for one bed. The same number of needles must therefore be put into Working Position on the other bed. In these cases the sign for tubular  $\bigcirc$  respectively ( or ) for half tubular is set before the relevant stitch number.

Examples for increasing and decreasing:

First increase or decrease always occurs in the first row of a section.

- $+ 3 \times 2 \cdot 8 \cdot R$  means: increase 2 stitches 3 times in every 8th row (1 stitch at back, 1 stitch at front).
- $- 19 \times 3 \cdot 7 \cdot R$  means: decrease 3 stitches 19 times in every 7th row (back 2 stitches, front 1 stitch or vice versa).
- $- 17 \times 1 \cdot 2 / 3 \cdot R$  means: decrease 1 stitch 17 times, alternately once after 2 rows and once after 3 rows.
- $\blacktriangle - 4 \times 8 \cdot 2 \cdot R$  means: work graduations, i. e. short rows (on DUO with pushers and lock BX). Step by step put 8 nds (and their respective pushers) into Rest Position 4 times after every 2nd row (for double bed 4 nds each back and front). Once all graduations are finished, continue knitting normally, i. e. all nds in Working Position (pushers in Neutral Position).

Graduations can be knitted two ways, either from outer edge towards centre (gradual decreasing with the minus-sign "-" after the black triangle) or from the centre towards outer edge (gradual increasing with the plus-sign "+" after the black triangle.)

Number of stitches and centimetres :

- $136 = 20 \text{ cm}$  means: a total of 136 sts (for K/K 68 stitches each on back and front) make a width of 20 cm.
- $\bigcirc 146 = 43 \text{ cm}$  means: cast on 146 sts each on back and front bed for tubular which makes a width of 43 cm.

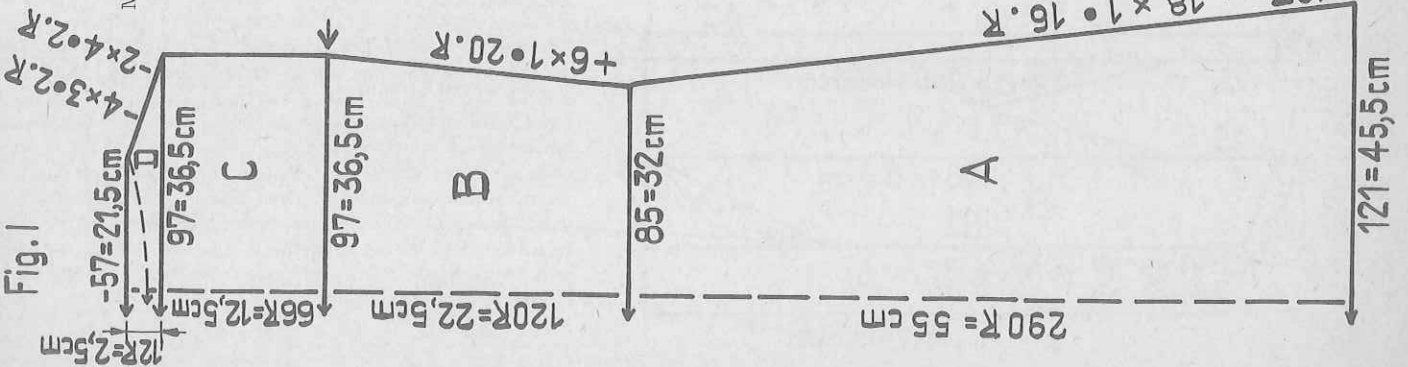

Stitch size: These indications are only recommended by us. They must always be tested by you, by making your own test square for your own wool.

Test square: We strongly recommend that you make always a test square with your own material before starting to work, in order to calculate for your material the necessary numbers of stitches and rows along the PASSAP - chart. The chapter "The test square and its calculation" in your instruction book informs you how to proceed for these calculations. This is very important, especially when adjusting a model to another size.

**Neck and buttonband:** Once cast on over all nds and once over 60 nds in 1:1 rib and St. S 3 3/4. Knit 12 rows, then a few rows with contrast yarn, release. **Buttonhole band:** Cast on over all nds as for button band and knit 6 rows. Next row make buttonholes thus: miss 76 sts, crochet off 4 sts, miss 4 sts, crochet off 4 sts, miss 4 sts, crochet off 4 sts, miss 16 sts, crochet off 4 sts, miss 16 sts, crochet off 4 sts. Leave empty nds in W.P. knit one row. Now twist the zig-zag thread and continue knitting 5 more rows (1st row very carefully). Then a few rows with contrast yarn, release.

**To make up, tunic:**

Pin out parts to size stretching bands and press lightly. Close side and sleeve seams. Tack sleeve (sleeve seam to side seam) around armhole. Place section C between back and front, matching dot ● and ○ of sleeve with dot ● at back and circle ○ at front, then sew with back st. With mattress st sew neck band between button and buttonhole band, then attach complete band along front and neck edges, flush with lower edge of tunic (buttonholes to the right side). Sew st by st, placing the first 3 buttonholes alongside waist (section C). Attach buttons.

**Fig. IV, collar:** A = 1:1 rib. At both ends put 20 sts on thread. B = transfer sts for stocking st. Decrease at both ends. A few rows with contrast yarn, release.

**Belt:** Knit in K/K accord. to diagram. Knit 320 rows, then, at right back and front, decrease 1 st every row.

**To make up:**

Pin out parts to size and press. On front attach pockets accord. to broken line on diagram. Close seat seam, starting at back, along sections E, D and D at front. Join leg and side seams. Join shoulder seam from inside, st by st, unravelling contrast yarn. Close sleeve seams. Set in sleeves with mattress st, matching sleeve and side seams. On collar, sew the 20 sts on thread to short edges of collar, st by st with back st. Then attach collar, st by st with back st, deepening a little at nape of neck (see diagram), starting and ending 4 sts away from centre. At front edges sew 4 sts to inside and set in zip. Sew buckle to unshaped end of belt. Finally press creases.

## 1949

To make up:

Pin out parts, spray with starch and press. Sew top of sleeves with overhand st to armhole edge of bodice. Close sleeve seams up to arrow. At both sides of centre back opening slip st 8 sts to inside. At centre back edges of skirt hem about 1 cm to inside, st by st, unravelling contrast yarn. At side edge of series 1a) hem 8 sts to inside - lower hem of skirt. Thread cotton through upper edge of bodice as follows : starting at centre back of bodice, along one sleeve edge up to arrow and from there along other sleeve edge to front of bodice, along front and other sleeve, finishing at other centre back edge of bodice. Pull elastic through this seam. Attach picot edgings to bodice, over shoulders and around neck, st by st with back st, unravelling contrast yarn. At right centre back edge of bodice work 3 rows of single crochet making 5 buttonholes in the second row. Sew buttons to left side to correspond. Line entire dress with satin lining of desired colour. Thread fine ribbon through holes at wrist. Make a big bow of wide satin ribbon and attach to bodice (see illustration).

### Briefs

Fig. IX: Knitted in one piece. Start at front. Knit with turquoise. A = knit straight. B = at both ends cast off 28 sts, decrease accord. to diagram. Then knit straight. C = increase at both ends. D = knit straight. E = decrease at both ends, cast off.

Belt: Stocking st tubular with white.

Cast on 10 sts on each bed, set lock on CX and knit a belt of about 100 cm length.

### Bra

Fig. XVI: Right part accord. to diagram. Knit with turquoise.

A = at right knit straight, at left increase. B = make graduations from outside in (with BX and pushers) : at right miss 70 sts, put 48 pushers into W.P. at left miss 8 sts. At both ends and every alternate row, return 1 pusher to R.P. (at opposite side to lock). C = return all pushers within blocking rail, knit 8 rows over all sts, lock set on N. D = at right cast off 18 sts, put 20 sts on dekercomb, cast off another 32 sts, miss 48 sts and cast off remaining 8 sts at left. Decrease at both ends. E = knit straight. A few rows with contrast yarn, release. F = hang 20 sts on dekercomb back onto machine. Decrease at both ends. G = as for section E. Knit left part of bra reversing shapings.

Edging: Stocking st tubular with white.

With 3 sts on each bed knit about 450 cm

To make up:

Briefs: Join side seams (sections A + D). Pull wide waist elastic through belt, attach buckle, and join belt in ring. Sew belt to top of briefs with buckle to centre front. Cut two pieces of edging to fit around legs. Pull fine elastics through edgings and join in ring, attach with back st (from inside).

Bra: Join right and left part at centre front. Graft together sections E and G of straps, unravelling contrast yarn. Bind edges and armholes with contrast edging. At centre back make two button loops with edging, sew on 2 buttons to correspond. At lower edge insert elastic.

Lady's dress, model 1952 A can be knitted in the same way as this shirt with just a few alterations :  
Section A : Knit to 230 or 260 rows.

Buttonhole band : Determine new length from hem to neck.

Button band, however, same as for shirt (400 rows).

Belt : Knit as for front bands but a length of about 150 cm

To make up : Same way as shirt but fix buttonhole band to the right and button band to the left. Close centre front seam from hem to button band.

To make up jacket :

Close side, shoulder and sleeve seams. At sleeve opening drop 4th stitch. With green tool, crochet ladder made by dropped stitch, on purl side of the fabric, taking only alternate threads. Catch last stitch at top. Attach cuffs with back st from inside, cast-on edge of cuffs flush with turn-in of section A and buttonhole flush with turn-in of section B, easing in fullness of sleeve. Sew on buttons. Set in sleeves. Attach waist and neck band in the same way as cuffs, cast-on and cast-off edges flush with centre front edges. Work one row of single crochet along both centre front edges and set in zip, leaving edges of neck band free.

## Trousers

Fig. IX: Right leg accord. to diagram.

A = over a width of 154 sts cast on accord. to diagram and knit 280 rows. B = increase at both ends. C = shape crutch. D = at right decrease, at left knit straight (straight edge = centre front). E = divide work for darts thus : at right front put 57 pushers into W. P. at back put respective pushers into W. P. Set lock at back on BX at front on BX O, at right end continue decreasing, at left decrease for dart, cast off. Return pushers within blocking rail. Set lock on CX/N. Now, knit section F accord. to diagram : at right dart, at left continue straight, cast off.

Knit left leg in the same way, reversing shapings.

Turn-up : Knit two. Start and finish with contrast yarn. Knit 320 rows accord. to diagram. Release.

Waist band : Knit in the same way as turn-ups, to fit waist measurement, i. e. about 370 rows, release.

## To make up trousers :

Press contrast yarn. Close leg seams. Close seat seam along sections E-D-C-D-F. Join waist band in ring using knit st, unravelling contrast yarn. Sew waist band to top of trousers using back st along purl st stripe. Pull elasticated thread through upper edge if desired. Join turn-ups in ring and sew to lower edges of trousers. Don't press creases for this type of trousers.
