Description Book for Model Book No. 36

PROGRAMMES FOR THE FORM COMPUTER

Looking through your description book, you will notice new columns of figures - possibly still meaningless to you - accompanying most of the garment descriptions.

In fact, these columns represent the programmes for the FORM COMPUTER, our new electronic shaping device, and the figures really contain the whole diagram as shown alongside them.

On examining one of these columns a little more closely, you will discover blank spaces with something written at the side. And always in the same place you will find "mm 40 R" and "mm 40 sts". These are the spaces provided for entering the measurements of your own test square, i.e. in millimetres for 40 rows or 40 stitches. Then, you will also find the expressions : "cm bust/chest" or "cm total length" at the side of empty spaces. They will take your personal bust measurements or the overall length of the garment.

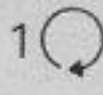

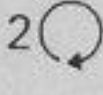

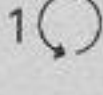

The rest is up to the FORM COMPUTER. It will tell you exactly how many stitches to cast on and how many rows to knit, when and how many stitches to increase or decrease.

The FORM COMPUTER also solves the problem of differing results when comparing the measurements of test squares in our descriptions and the ones obtained by you. Hunting for the stated yarn is also a thing of the past, as again the FORM COMPUTER is here to deal with this problem.

In addition we can now offer you more sizes than so far. Every programme has been worked out to cover three sizes, and as they can be further adapted to your own measurements, this will amount to at least six sizes.

Why not convince yourself of the advantages of the FORM COMPUTER when you next visit your stockist?

Please note the new abbreviations for the pattern descriptions

2 R	Knit 2 rows
4 R	Knit 4 rows
1 	Racking handle one full turn to the right
2 	Racking handle two full turns to the right
1 	Racking handle one full turn to the left
	Transfer stitches from back to front
	Transfer stitches from front to back

Patterns: The drawings refer to half width, the indications of stitch numbers refer to whole width of each part.

If the centre line of the half width is dotted and shows arrows, the other half is worked simultaneously with reversed shapings, i. e. decreasing or increasing is made on the left as well as on the right side.

If the centre line is drawn in one firm line, the other half is worked separately with reversed shapings, i. e. first knit one part according to diagram (increasing or decreasing at right), then the second part the opposite way (decreasing or increasing at left).

Abbreviations:

○	= tubular (or) = half tubular	+	= increase
●	= every (in every row)	-	= decrease, cast off
X	= times	▲	= graduations (short rows)

Stitches are only given by a number (without accompanying letter "st"). The stitch number always refers to the total of stitches, i. e. to all needles which are in Working Position on back and front bed.

Exception: For tubular or half tubular the necessary stitches are only given for one bed. The same number of needles must therefore be put into Working Position on the other bed. In these cases the sign for tubular ○ respectively (or) for half tubular is set before the relevant stitch number.

Examples for increasing and decreasing:

First increase or decrease always occurs in the first row of a section.

$+ 3 \times 2 \cdot 8 \cdot R$	means: increase 2 stitches 3 times in every 8th row (1 stitch at back, 1 stitch at front).
$- 19 \times 3 \cdot 7 \cdot R$	means: decrease 3 stitches 19 times in every 7th row (back 2 stitches, front 1 stitch or vice versa).
$- 17 \times 1 \cdot 2 / 3 \cdot R$	means: decrease 1 stitch 17 times, alternately once after 2 rows and once after 3 rows.
$\blacktriangle - 4 \times 8 \cdot 2 \cdot R$	means: work graduations, i. e. short rows (on DUO with pushers and lock BX). Step by step put 8 nds (and their respective pushers) into Rest Position 4 times after every 2nd row (for double bed 4 nds each back and front). Once all graduations are finished, continue knitting normally, i. e. all nds in Working Position (pushers in Neutral Position).

Graduations can be knitted two ways, either from outer edge towards centre (gradual decreasing with the minus-sign "-" after the black triangle) or from the centre towards outer edge (gradual increasing with the plus-sign "+" after the black triangle.)

Number of stitches and centimetres :

$136 = 20 \text{ cm}$	means: a total of 136 sts (for K/K 68 stitches each on back and front) make a width of 20 cm.
○ $146 = 43 \text{ cm}$	means: cast on 146 sts each on back and front bed for tubular which makes a width of 43 cm.

Stitch size: These indications are only recommended by us. They must always be tested by you, by making your own test square for your own wool.

Knitting with the FORM COMPUTER

Very often you will be confronted with the instruction "Use programme for neckband knitted straight" when you come to knit neck or armhole bands, or even bands for the front opening of a jacket. The programme referred to is the following :

```

_____
80
100
. mm 40 R
. mm 40 sts
4
1
.
38 } cm width of band
4  } or neck opening
1  }
.  }
6
6
. cm height of band
0
_____

```

Important : In both places where it says "width of band or neck opening", always the same measurement must be entered.

Width of band or neck opening always means the width you obtain from the stitches you have cast on.

Height of band always means the measurement you obtain from the rows you have knitted.

When knitting a neck or armhole band, therefore, measure the opening of the neck or armhole after all the parts have been knitted, and enter the measurement obtained in the space saying "neck opening". When measuring the neck opening be on the mean side, in other words measure rather less than too much, and then ease in any fullness of the neck edge into the band when you attach it. (Most neck edges are cast off rather loosely and tend to stretch). However, beware of making the neck so tight that it won't go over your head any more. For polo necks which should fit closely, you have to pull your test square sideways when measuring it.

Front bands for jacket.

Sideways knitted band : Measure the edge of the jacket and enter the result in the space for width of band. For the height enter about 3 to 4 cms (In the following garment descriptions the height of the band is always given).

Band knitted lengthways : Here you enter about 3 to 4 cms for the width of the band and for the height you enter the measurement of the jacket front edge, or if you wish to knit the band all in one piece, the measurements of both front edges plus neck edge. (Note : The FORM COMPUTER cannot exceed 1000 rows).

To make up : Block and press part lightly. Join side seam, i.e. unravel contrast yarn and graft together st by st. Attach border along the top edge. Sew straps in position.

Skirt

Fig. VII + VIII : Knitted in one piece. Begin and end with contrast yarn. A = single-bed cast on over the whole width of the needle bed (179 sts). In addition, bring 5 nds in to W.P. at right edge on back bed. Knit acc. to diagram 1, at the same time begin with the graduations (short rows) at left edge, St.S at back 3/4, front 5. B = inc. by making graduations. C = knit straight. Knit sections A, B and C 11 times in all.

Waistband : Begin and end with contrast yarn. Green, with 7 sts on back bed and 8 sts on front bed, lock CX/CX, St.S 4 1/2, knit tubular band measuring 76 cm.

To make up : Block and press part lightly. Graft together side seam, st by st, unravelling contrast yarn. Insert waist elastic into waistband and join into a ring. Attach waistband to skirt, gathering top of skirt.

Jacket

Fig. I :

A = tubular cast on in 1:1 rib with 150 sts. Immediately after casting on transfer all sts to front bed for st.st. St.S 5, alternately knit 2 rows green, 2 rows white. Straight at each end. B = inc. at each end. C = dec. at each end acc. to diagram. D = divide work. Cast off centre 26 sts. Place left half onto deckercomb. Right half : shape neck at left, shape shoulder at right. Left half : return sts to nds of machine and knit section D with reversed shapings.

Fig. IIa : left front part

A = tubular cast on in 1:1 rib with 75 sts. Immediately after casting on, transfer sts to back bed, put 17 nds and corresponding pushers in W.P. at left front. Knit in pattern acc. to diagram 2 using the U80. Position card reader in such a way that the perforated pattern hangs exactly underneath the 17 pushers brought into W.P. B = inc. at right, knit straight at left. C = dec. at right, at the same time shape neck at left. D = shape shoulder at right, cont. to dec. at left.

Fig. IIb : right front part

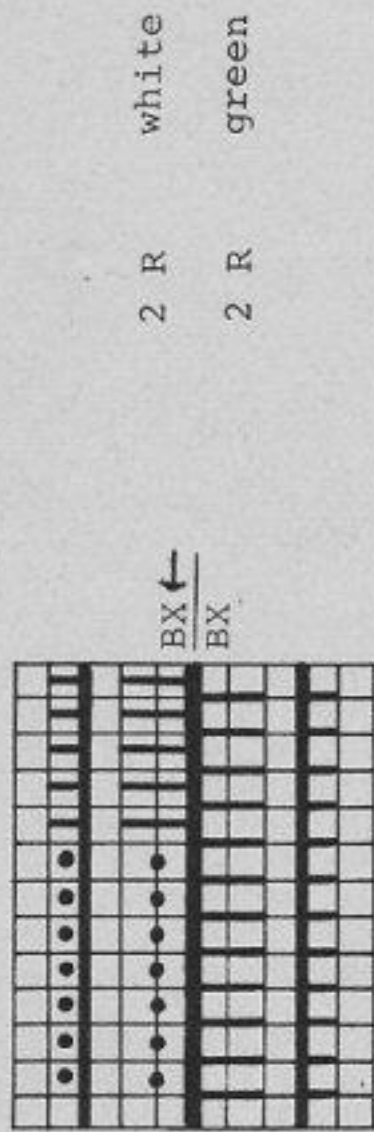

Only the stitches of one bed are indicated in the diagram. A = tubular cast on in K/K with 70 sts on each bed. Acc. to diagram 1, knit straight at each end. B = inc. at left, knit straight at right. C = dec. at left acc. to diagram, shape neck at right.

Edge borders : knitted lengthwise Green, single-bed cast on with 9 sts on back bed, and additionally 4 sts at left front. Lock at back N, St.S 4 3/4, lock at front CX, St.S 3 1/4, knit binding long enough to fit round jacket and sleeve edges.

To make up : Block and press parts lightly. Join shoulder and side seams. Attach binding to jacket, outside first, then inside.

Fig. X : Yoke, knit twice. Begin and end with contrast yarn.

A = blue, single-bed cast on with 80 sts. St.S 7, knit 2 rows. B = with lock on BX without arrow key, beginning with the 40 sts at centre front, make graduations (short rows) acc. to diagram. C = with lock on N, knit 10 rows straight. D = make graduations acc. to diagram and lock BX without arrow key. E = lock N, knit 2 rows across all sts.

To make up : Block and press parts lightly with the exception of the yoke which is left to dry under a damp cloth. Join shoulder, side and sleeve seams. Set in sleeves. Fold cuffs in half to inside and hem in position st by st, unravelling contrast yarn. Fill yoke with acrylic padding material and graft together (st by st) the open ends. Sew yoke to main part of dress as shown in photo.

Sweater dress with flame motif

Size : to fit 84 cm bust
Material : 530 g thick cotton yarn (bouclé type) : 150 g pale green and 380 g brown
Stitch size : 5 3/4, 2:2 rib = 5 1/4
Test square : 50 sts = 28 cm, 100 R = 32 cm (= st.st. with every alternate needle)
Pattern : St.st. with every alternate nd. Intarsia motif on front part. Wrong side worn as right side. Bands in 2:2 rib.

Fig. I :
 A = brown, tubular cast on for 2:2 rib acc. to diagram over a width of 179 nds. St.S 5/4, knit 10 rows. B = transfer all sts to front, occasionally placing 2 sts onto 1 nd, so that every alternate nd is out of W.P. = 90 sts. Knit straight. C = cont. to knit straight. D = divide work. Cast off centre 12 sts. Place left half onto dekercomb. Right half : shape neck at left, shape shoulder at right. Left half : replace sts onto nds of machine and knit section D with reversed shapings.

Fig. II :
 A = as for Fig. I. B = transfer all sts to front. Knit 30 rows. Knit intarsia as follows : thread green into right feeding eyelet, brown into left feeding eyelet. When you knit, always place the yarn into the next non-working needle on the side where the lock is. After every section of the intarsia, return the row counter to zero. Knit the sections of the intarsia in the numbered sequence (1 = brown, dec. at left. 2 = green, inc. at right, after 16 rows dec. at the same time at left. 3 = brown, inc. at right, etc.). C = green, lock on N. Divide work. Cast off centre 12 sts. Place left half onto dekercomb. Right half : shape neck at left, knit straight at right. D = cont. to dec. at left, shape shoulder at right. Left half : replace sts onto nds of machine and knit sections C and D with reversed shapings.

Fig. III : one sleeve in brown, one in green.
 A = as for Fig. I, but over a width of 87 nds acc. to diagram. B = transfer all sts to front over a width of 87 nds so that every alt. nd is out of W.P. = 44 sts. Inc. at each end. End with a few rows contrast yarn, release.

Neckband :
 Brown, tubular cast on for 2:2 rib with 154 sts over a width of 116 nds. St.S 6, knit 6 rows. End with a few rows contrast yarn, release.
 To make up : Block and press parts well. Join shoulder seams. Set in sleeves, st by st, backstitching through the open loops and unravelling contrast yarn. Join side and sleeve seams. Attach neckband to outside neck edge, st by st, backstitching through the open loops and unravelling contrast yarn.

Diagram for fairisle

RZ=RC

A = as for Fig. I, but with 66 sts. B = as for Fig. I, but knit only RC 192. C = shape neck at left, knit straight at right. D = shape armhole at right, shape neck at left. At the same time start with deco card shapings.
Fig. III : knit 2 sleeves alike, plain blue cont. to knit st.st., inc. at each end. C = shape sleeve head at each end. Cast off remaining 16 sts.
Buttonhole band : Blue, tubular cast on for 1:1 rib across the whole needle bed. Knit 6 rows. the front bed, leaving the empty nd at left onto the stitch of the same way with always 7 sts inbetween them (counting the sts on the back bed only). Knit 4 more rows, end with contrast yarn, release.
Button band : Knit as for buttonhole band but omitting button holes.
To make up : Block and press parts. Join shoulder, side and sleeve seams. centre back, st by st, backstitching through the open loops and unravelling contrast yarn. Attach button band to left front part as far as given for buttonhole band. Sew on buttons.
Fig. VII & VIII : knit 2 parts alike
A = blue, tubular cast on for 1:1 rib with 142 sts. St.S 4, knit 8 rows. B = transfer all sts to front for st.st. and knit 178 rows straight. C = by one third, i.e. transfer every 3rd st to adjacent nd at left. St.S 5V2, knit 22 rows. End with a few rows contrast yarn, release.
To make up : Block and press parts. Join side seams. Fold section D in half to inside to form waistband, sew in position st by st, unravelling contrast yarn. Insert waist elastic to fit waist size.

Girl's sweater with heart motif

Size : height 128 cm, approx. 7 years
Material : 300 g thick cotton yarn : 290 g beige, 10 g red.

Stitch size : 7/2, 1:1 rib = 4
Test square : 100 sts = 40 cm, 100 R = 30 cm
Pattern : All parts knitted in stocking stitch. Heart motif on front part (intarsia). Bands in 1:1 rib. Heart shaped buttons along left shoulder.

Fig. I :

A = tubular cast on for 1:1 rib with 92 sts. St.S 4, knit 14 rows.
 B = transfer all sts to front for st.st. Knit 86 rows. C = dec. at each end. D = shape shoulder at each end. Cast off remaining sts.

Fig. II :

A and B = as for Fig. I. On section B, begin with intarsia after 46 rows : For part 1, lock BX without arrow key, take all pushers out of blocking rail, bring 45 pushers into W.P. at right, the remaining pushers into R.P. Cont. to knit in beige. When lock at right, always bring 1 pusher into R.P. at left acc. to diagram. When lock at left, place yarn into adjacent non-knitting nd. After 40 rows bring all pushers into R.P. at right, bring the left 45 pushers into W.P. for part 2. Repeat the above described working procedure but with reversed shapings. Now bring the two centre pushers into W.P. and "fill in" in red for part 3, i.e. adding pushers at each end (always when the lock is at the opposite end) and always placing the yarn into the adjacent non-knitting needle on the side where the lock is.

C = place the right and left beige sts onto dekercombs. Knit straight with the centre 40 red sts for part 4, casting on 1 extra st at each end at the beginning (for seam). Knit 14 rows, then place sts onto dekercomb and place the right beige sts back onto nds of machine for part 5. At left, cast on 1 extra st for seam, shape armhole at right. Knit 14 rows, then knit part 6 with reversed shapings. Replace all sts onto nds of machine and dec. the additionally cast on sts, i.e. transfer them onto adjacent nd. Close the two resulting slits (using mattress stitch) when you have finished the knitting. Finish the remaining parts of the heart in 5 stages (14 rows each) : 7th right, red section; 8th left, red section; 9th middle, beige section; 10th right, beige section and 11th left, beige section. Then, knit 12 rows in beige. D = cast off centre stitches. Place left half onto dekercomb. **Right half :** shape neck at left, knit straight at right. E = shape shoulder at right. **Left half :** replace sts to nds of machine and knit sections D and E with reversed shapings.

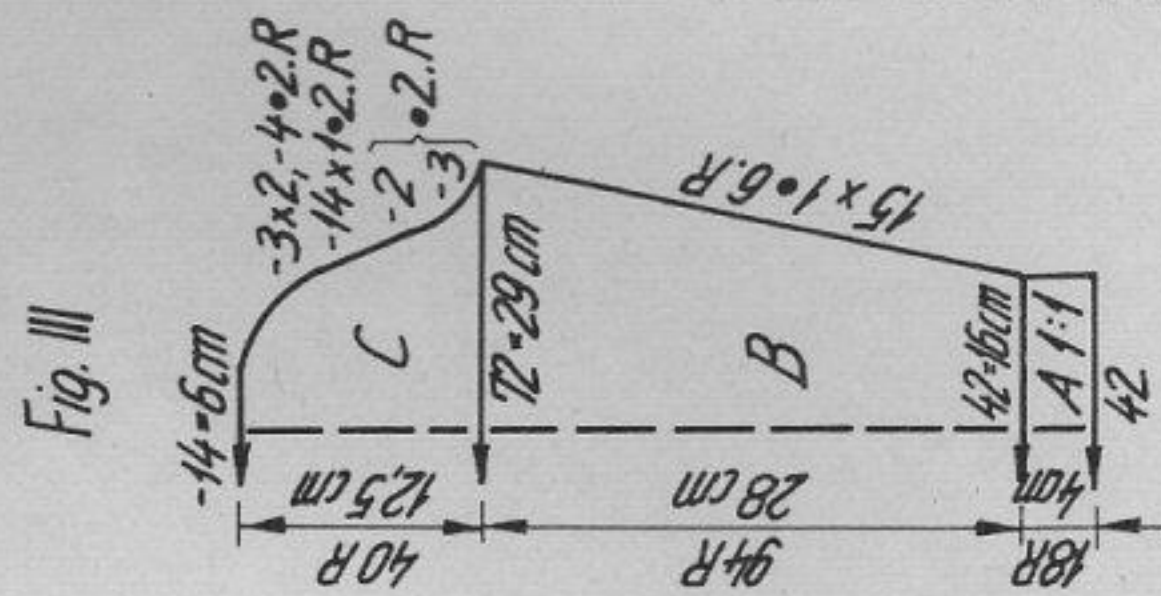

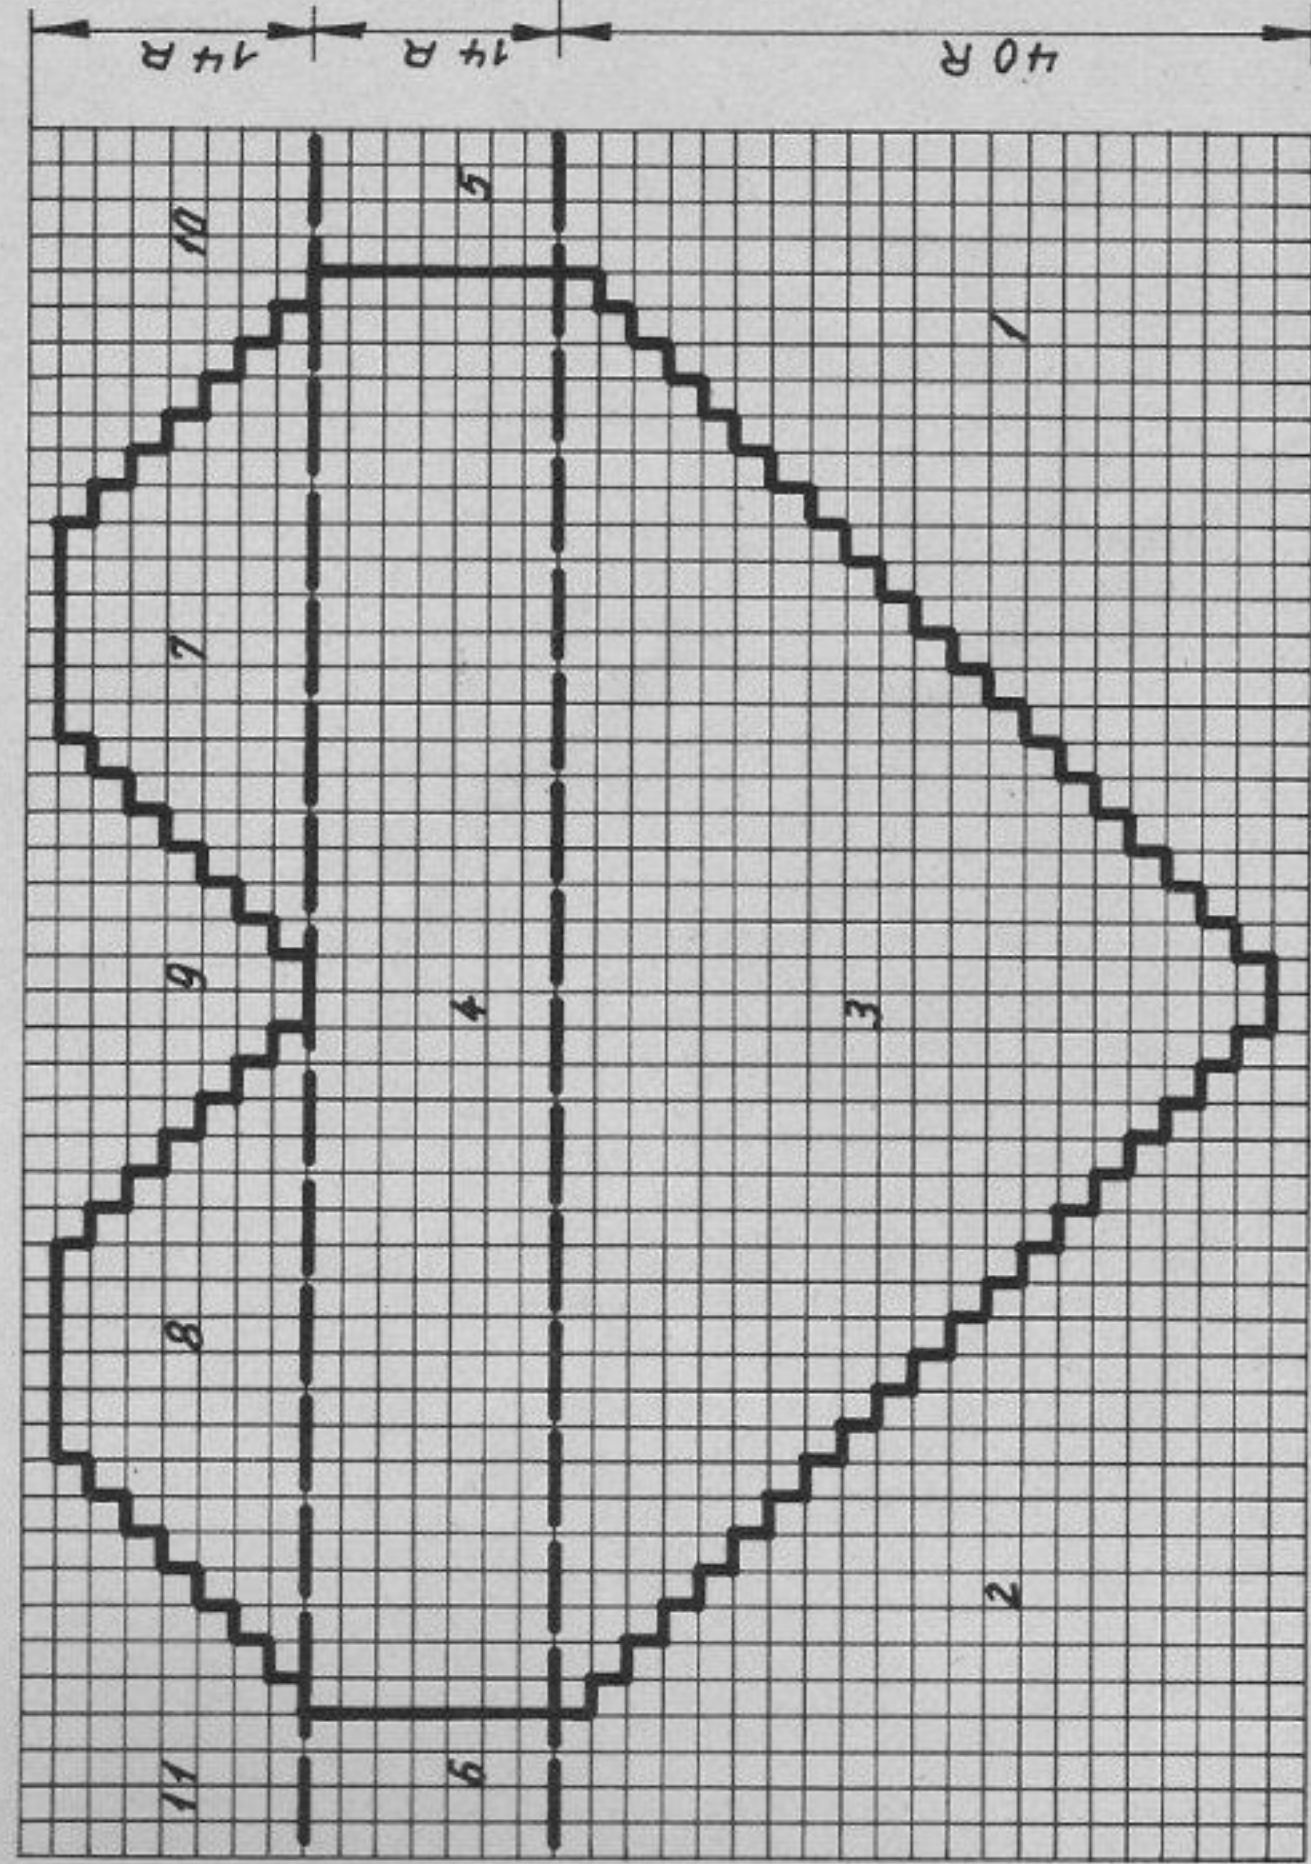

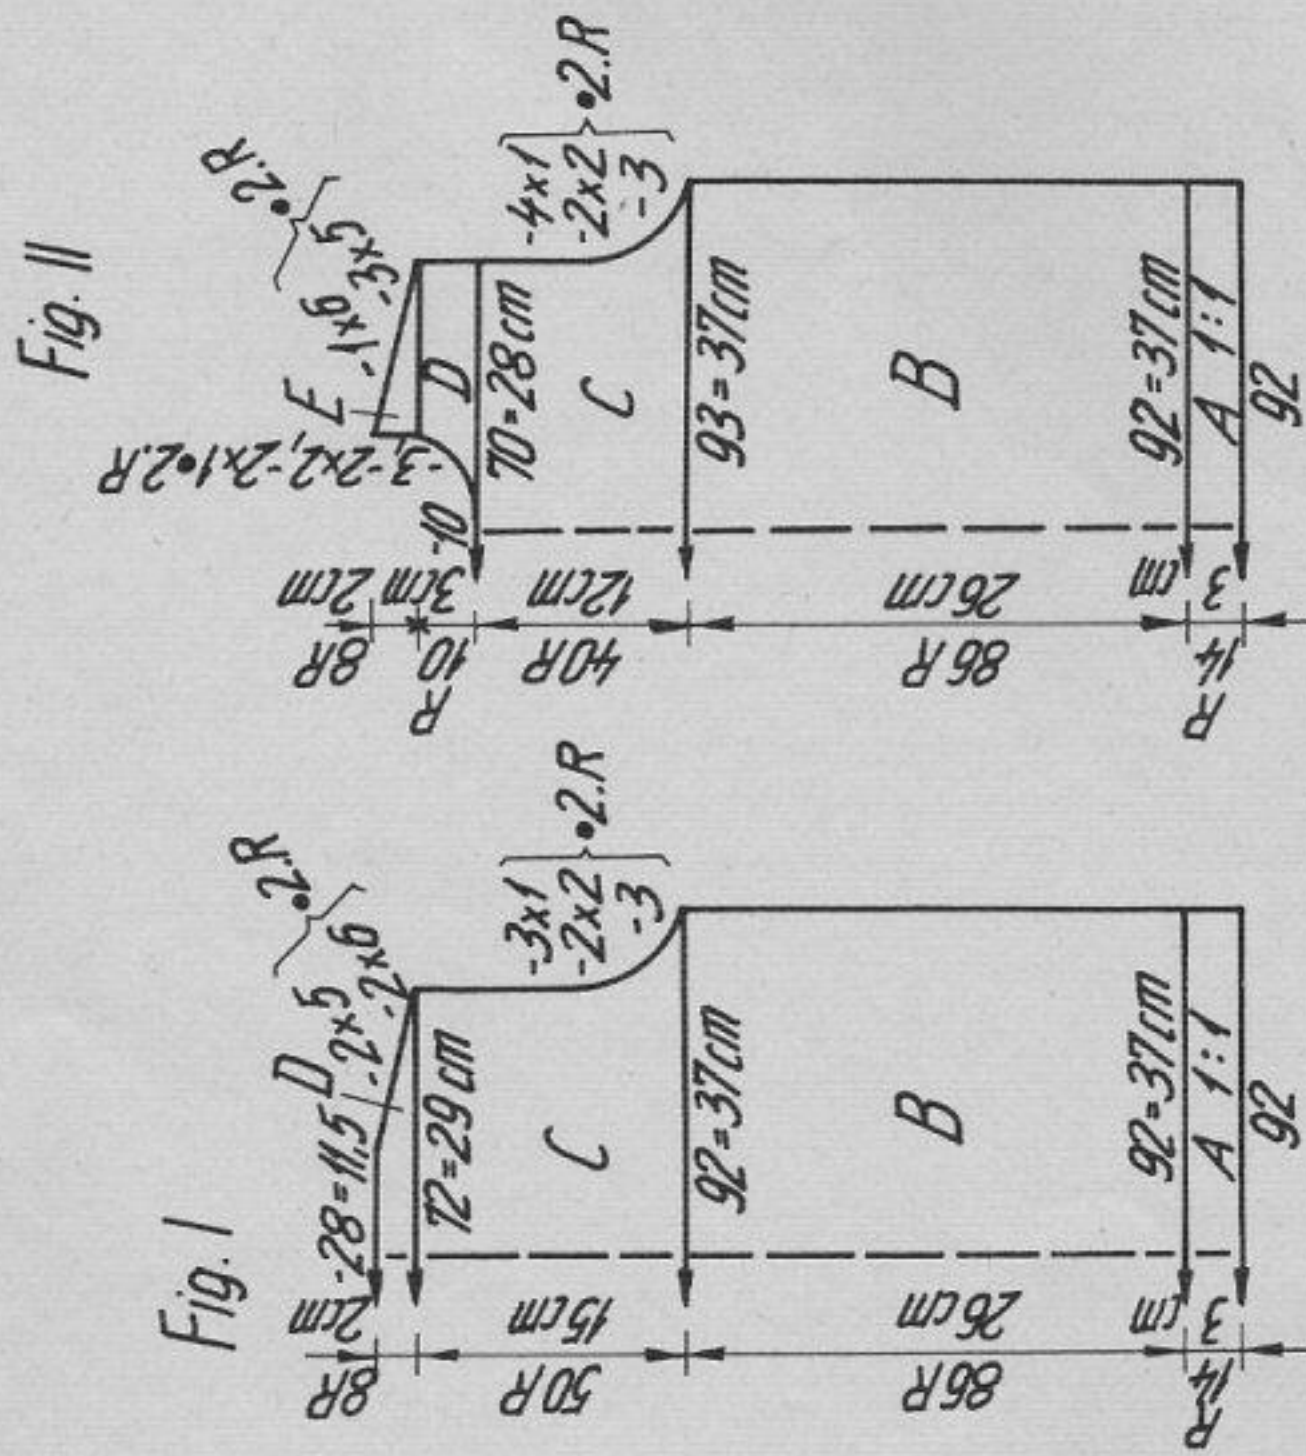

Fig. III : knit two

A = tubular cast on for 1:1 rib with 42 sts. Knit 18 rows. B = transfer all sts to front for st.st. Inc. at each end. C = shape sleeve head at each end. Cast off remaining sts.

Neckband :

Beige, tubular cast on for 1:1 rib with 104 sts. St.S 4, knit 8 rows. End with a few rows contrast yarn, release.

To make up : Block and press parts well. Close right shoulder seam, side and sleeve seams. Crochet along left shoulder edges, making 4 loops on the front part. Attach buttons to match on back part. Set in sleeves. Attach neckband to outside neck edge, st by st, backstitching through the open loops and unravelling contrast yarn.

Material : 230 m length per 100 g
 72 yds per 1 oz
 10 cm = approx. 4"

A = as for Fig. I. B = as for Fig. I, but starting intarsia after 28 rows as follows : for all nds take corresponding pushers out of blocking rail, bring the right 77 pushers into W.P. and the remaining pushers into R.P. Lock BX without arrow key (RC at 000). In rust knit *1 row, place yarn into next non-knitting nd, knit 1 row, at left bring 1 pusher into R.P.* Repeat from * to * until RC 92. Rearrange pushers.

Fig. III

(RC at 000). Bring the left 77 pushers into W.P., remaining pushers in R.P. Set lock to GX and push to the left-hand side of needle bed. Set lock to BX again. In rust knit * 1 row, place yarn into next non-knitting nd, knit 1 row, bring 1 pusher into R.P. at right*. Repeat from * to * until 92 rows have been knitted. (RC at 000). Rearrange pushers (to fill in) : the centre 10 pushers are in W.P., all rem. pushers in R.P. In turq. knit *1 row, place yarn into next non-knitting nd at left, bring 1 pusher in W.P. at right, knit 1 row, place yarn into the right adjacent nd and bring 1 pusher into W.P. at left.* Repeat from * to *, always alternately knitting 2 rows turq. and 2 rows rust. 92 rows in total. C and D = cont. with the middle (striped) section. Knit as given for section B, but bring pushers into R.P. at each end (instead of W.P.), alternately knit 2 rows turq., 2 rows beige. At RC 92, rearrange pushers. (RC at 000) Bring the right 31 pushers into W.P., the remaining pushers in R.P. In beige, knit *1 row, place yarn into next nd at left, knit 1 row, bring 1 pusher into W.P. at left*. Repeat from * to *, shaping armhole at right after 36 rows. At RC 92, rearrange pushers. (RC at 000). Bring the left 31 pushers into W.P., all remaining pushers into R.P. (Move the lock, on GX, to left-hand side of needle bed). In beige, knit as given for right part, but with reversed shapings. End of intarsia. Knit 18 rows in beige. E = divide work, cast off centre 28 sts. Place left half onto dekercomb. Right half : knit straight at right, shape neck at left. F = shape shoulder at right. Left half : replace sts to nds of machine and knit sections E and F with reversed shapings.

Fig. III : knit two

A = beige, tubular cast on for 1:1 rib with 106 sts. Knit 12 rows. B = transfer all sts to front for st.st., inc. at each end. After 4 rows, knit 2 rows in turq. and 4 rows in rust, then cont. in beige. C = shape sleeve head at each end. Cast off remaining 24 sts.

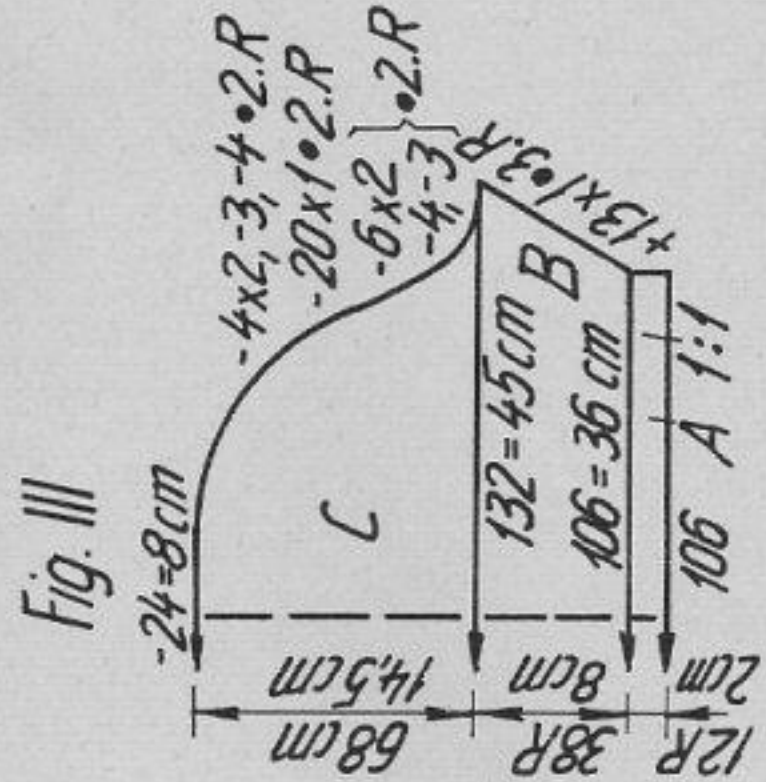

Neckband :

Beige, tubular cast on for 1:1 rib with 164 sts. St.S 3, knit 12 rows. Transfer all sts to front for st.st. St.S 6, knit 2 rows. End with a few rows contrast yarn, release.

Fig. I :

A = aubergine, tubular cast on for 1:1 rib. Knit straight. B = transfer all sts to back bed. Knit summer fairisle with deco card 95 acc. to diagram and colour sequence. C = dec. 12 sts at each end on back bed, release the corresponding sts on the front bed. D = at back, put for each working row 1 pusher into Working Position. Lock BX. Make shoulder shaping at each end using pushers, and releasing the corresponding pushers on front bed. At the end, release all sts of the front bed. On back bed, knit 20 rows st.st. in aubergine. Place remaining sts on to thread.

Fig. II :

A, B and C = knit as given for back. D = divide work : cast off centre 10 sts on back bed. For left half, place the sts of back bed on to deckercombs. Release the sts of front bed. Make note of deco card position. Cont. to knit at right, dec. at left on back bed, release sts of front bed. E = at back, put 1 pusher into Working Position for each working row. Shape shoulder using pushers. At the end, release all sts of front bed. On back bed, knit 20 rows st.st. in aubergine. Then place all sts on to thread. For left half : return sts to the same nds on back bed and knit D and E with reversed shapings. At the end, release all the sts that were knitted on the front bed.

Fig. IIIa : sleeve, knit two

Using contrast yarn, make single-bed cast on on back bed. Bring nds of front bed into Working Position, for summer fairisle. Knit acc. to diagram and colour sequence. End with a few rows contrast yarn on back bed, release sts of both beds.

Fig. IIIb : cuff, knit two

Tubular cast on in aubergine. Cont. to knit in pin tuck pattern acc. to diagram, at the same time inc. at each end. Cast off.

Front neckband :

With 75 sts single-bed cast on for st.st., aubergine, knit 20 rows in st.st. Bring 75 nds on opposite bed into W.P. Knit 1 row with lock N/N, then 6 rows at back in st.st. with lock back N, front GX. Knit 6 rows at front in st.st. with lock at front N, at back GX. End with a few rows contrast yarn with lock N/N.

To make up : Press contrast yarn on neck edge and sleeve edge. Block the other parts and leave to dry under a damp cloth. Join shoulders, and at the place where the pattern ends let the rows knitted in st.st. roll to the front or to the back. Sew neckband first to the outside neck edge, then to inside, st by st, backstitching into the open loops, unravel contrast yarn. Sew the st.st. rows invisibly with mattress stitch to the st.st. rows of the shoulders. At top edge of sleeve, make a pleat approx. 10 cm wide and then join the sleeve to back and front part. Gather sleeve at wrist and with right sides facing sew to cuff. Join side and sleeve seams.

Jacket

Fig. I and II : Knit front and back part in one piece
 A = single-bed cast on in salmon, inc. at right for neck. B = shape
 shoulder at right. C = dec. at right for armhole. D = inc. at right.

E = shape shoulder at right. F = knit straight. G = shape shoulder at
 right. H = dec. at right for armhole. J = inc. for armhole. K = shape
 shoulder at right. L = shape neck at right. Cast off.

Front trimming : knit 2 parts alike

Knit trimming acc. to diagram 3 with 120 sts on each bed. Arrange
 pushers acc. to diagram 2, knit RC 80. Now change lock at back to GX,
 front N, and knit 4 rows st.st. on front bed. End with a few rows
 contrast yarn, release. Repeat this on back bed.

Fig. III : knit 2 sleeves alike

A = knit trimming acc. to diagram 3 with 58 sts on each bed. Transfer
 all sts to front for st.st. (2 sts onto every nd). Inc. at each end.
 B = shape sleeve head at each end.

Trimming for neck and hem :

For neck trimming work with 96 sts on each bed. For hem trimming, knit
 two, with 124 sts on each bed. Knit acc. to diagram 3. Now change lock
 to GX at back, N at front, and knit 4 rows on front bed. End with a
 few rows contrast yarn, release. Repeat on back bed.

To make up : Block and press parts lightly. Join shoulder and side seams.
 Sew all trimmings in position, first on the outside, then on the inside,
 unravelling contrast yarn. Join sleeve seams. Set in sleeves. Crochet
 loop to neck front, attach button to match.

Skirt part

Fig. VII and VIII : Contrast yarn, single bed cast on with 132 sts on
 back bed. A = salmon, knit 2 rows with lock at front GX, back N.

* Transfer the purlstitch loops of back sts to nds of front bed. Knit
 acc. to diagram 1 until RC 80. B = transfer all sts to back bed for
 stocking stitch (always 2 sts onto 1 nd). Lock BX without arrow key,
 begin graduations starting from the left. C = lock on N, knit 16 rows
 straight.* Repeat from * to * 9 times in all, but knit only 14 rows
 the last time (section C). End with a few rows contrast yarn, release.

Bodice

Fig. XVI : begin and end with contrast yarn.

A = salmon, knit 2 rows st.st., lock N. Work the whole section acc. to
 diagram 4 for bodice. Inc. at right acc. to diagram. B = dec. at right.
 C = knit straight. D = inc. at right. E = dec. at right. F = dec. 25 sts
 at right. Knit 1 row, lock at left, cast on 25 sts at right. Inc. at
 right. G = knit straight. H = dec. at right. Section should end with
 24 rows in stocking stitch.

Shoulder panel :

Salmon, tubular cast on for K/K, with 110 sts on each bed. Cont. to
 knit acc. to diagram 2 for bodice. After RC 80, change lock at front
 to N, at back to GX, knit 4 rows st.st. on front bed. End with a few
 rows contrast yarn, release. Repeat this on the back bed.

Hem trimming : knit 4 times, with 124 sts on each bed. Armhole trimming : knit twice, with 80 sts on each bed. Knit as given for neck and hem trimming for jacket.

Waistband : knit twice, with 100 sts in st.st., beginning and ending with contrast yarn.

Band : Salmon, with 2 sts on each bed, St.S 5, lock CX/CX, knit a length measuring 180 cm.

To make up : Block and press parts lightly. Graft together bodice side seam, leaving an opening of 12 cms for armhole, unravel contrast yarn. Graft together skirt part. Sew shoulder panel in position on bodice, first on the outside, then on the inside, st by st, backstitching through the open loops and unravelling contrast yarn. To make shoulder seam, join shoulder panels along 7 cms on either side. Sew trimmings, first on the outside, then on the inside, to armhole and hem, st by st, backstitching through the open loops and unravelling contrast yarn. Join skirt and bodice. Sew waist band in position on top of waist seam, at the same time unravel contrast yarn. Insert band.

Flashing figures :

- 1 Jacket = single bed cast on for stocking st. Sleeve = knit trimming acc. to diagram 3. Skirt = with contrast yarn, single bed cast on for st.st. on back bed. Bodice = with contrast yarn, single bed cast on for stocking stitch.
- 5 Jacket and sleeve = cast off all remaining stitches. Skirt and bodice = a few rows with contrast yarn, release.
- 7 Knit double bed fairisle acc. to description.
- 8 Transfer all sts of front bed to back and knit in stocking stitch.
- 9 Starting from the right, cast off the indicated number of stitches and immediately cast on again.
