

HOW TO USE THE SKEIN HOLDER

1. How to set the Skein holder to the Table.

Set the Clamp to the edge of table, and holding it by left hand, turn the Knob to right (clockwise) as shown in the illustration.

2. How to hang on the skein.

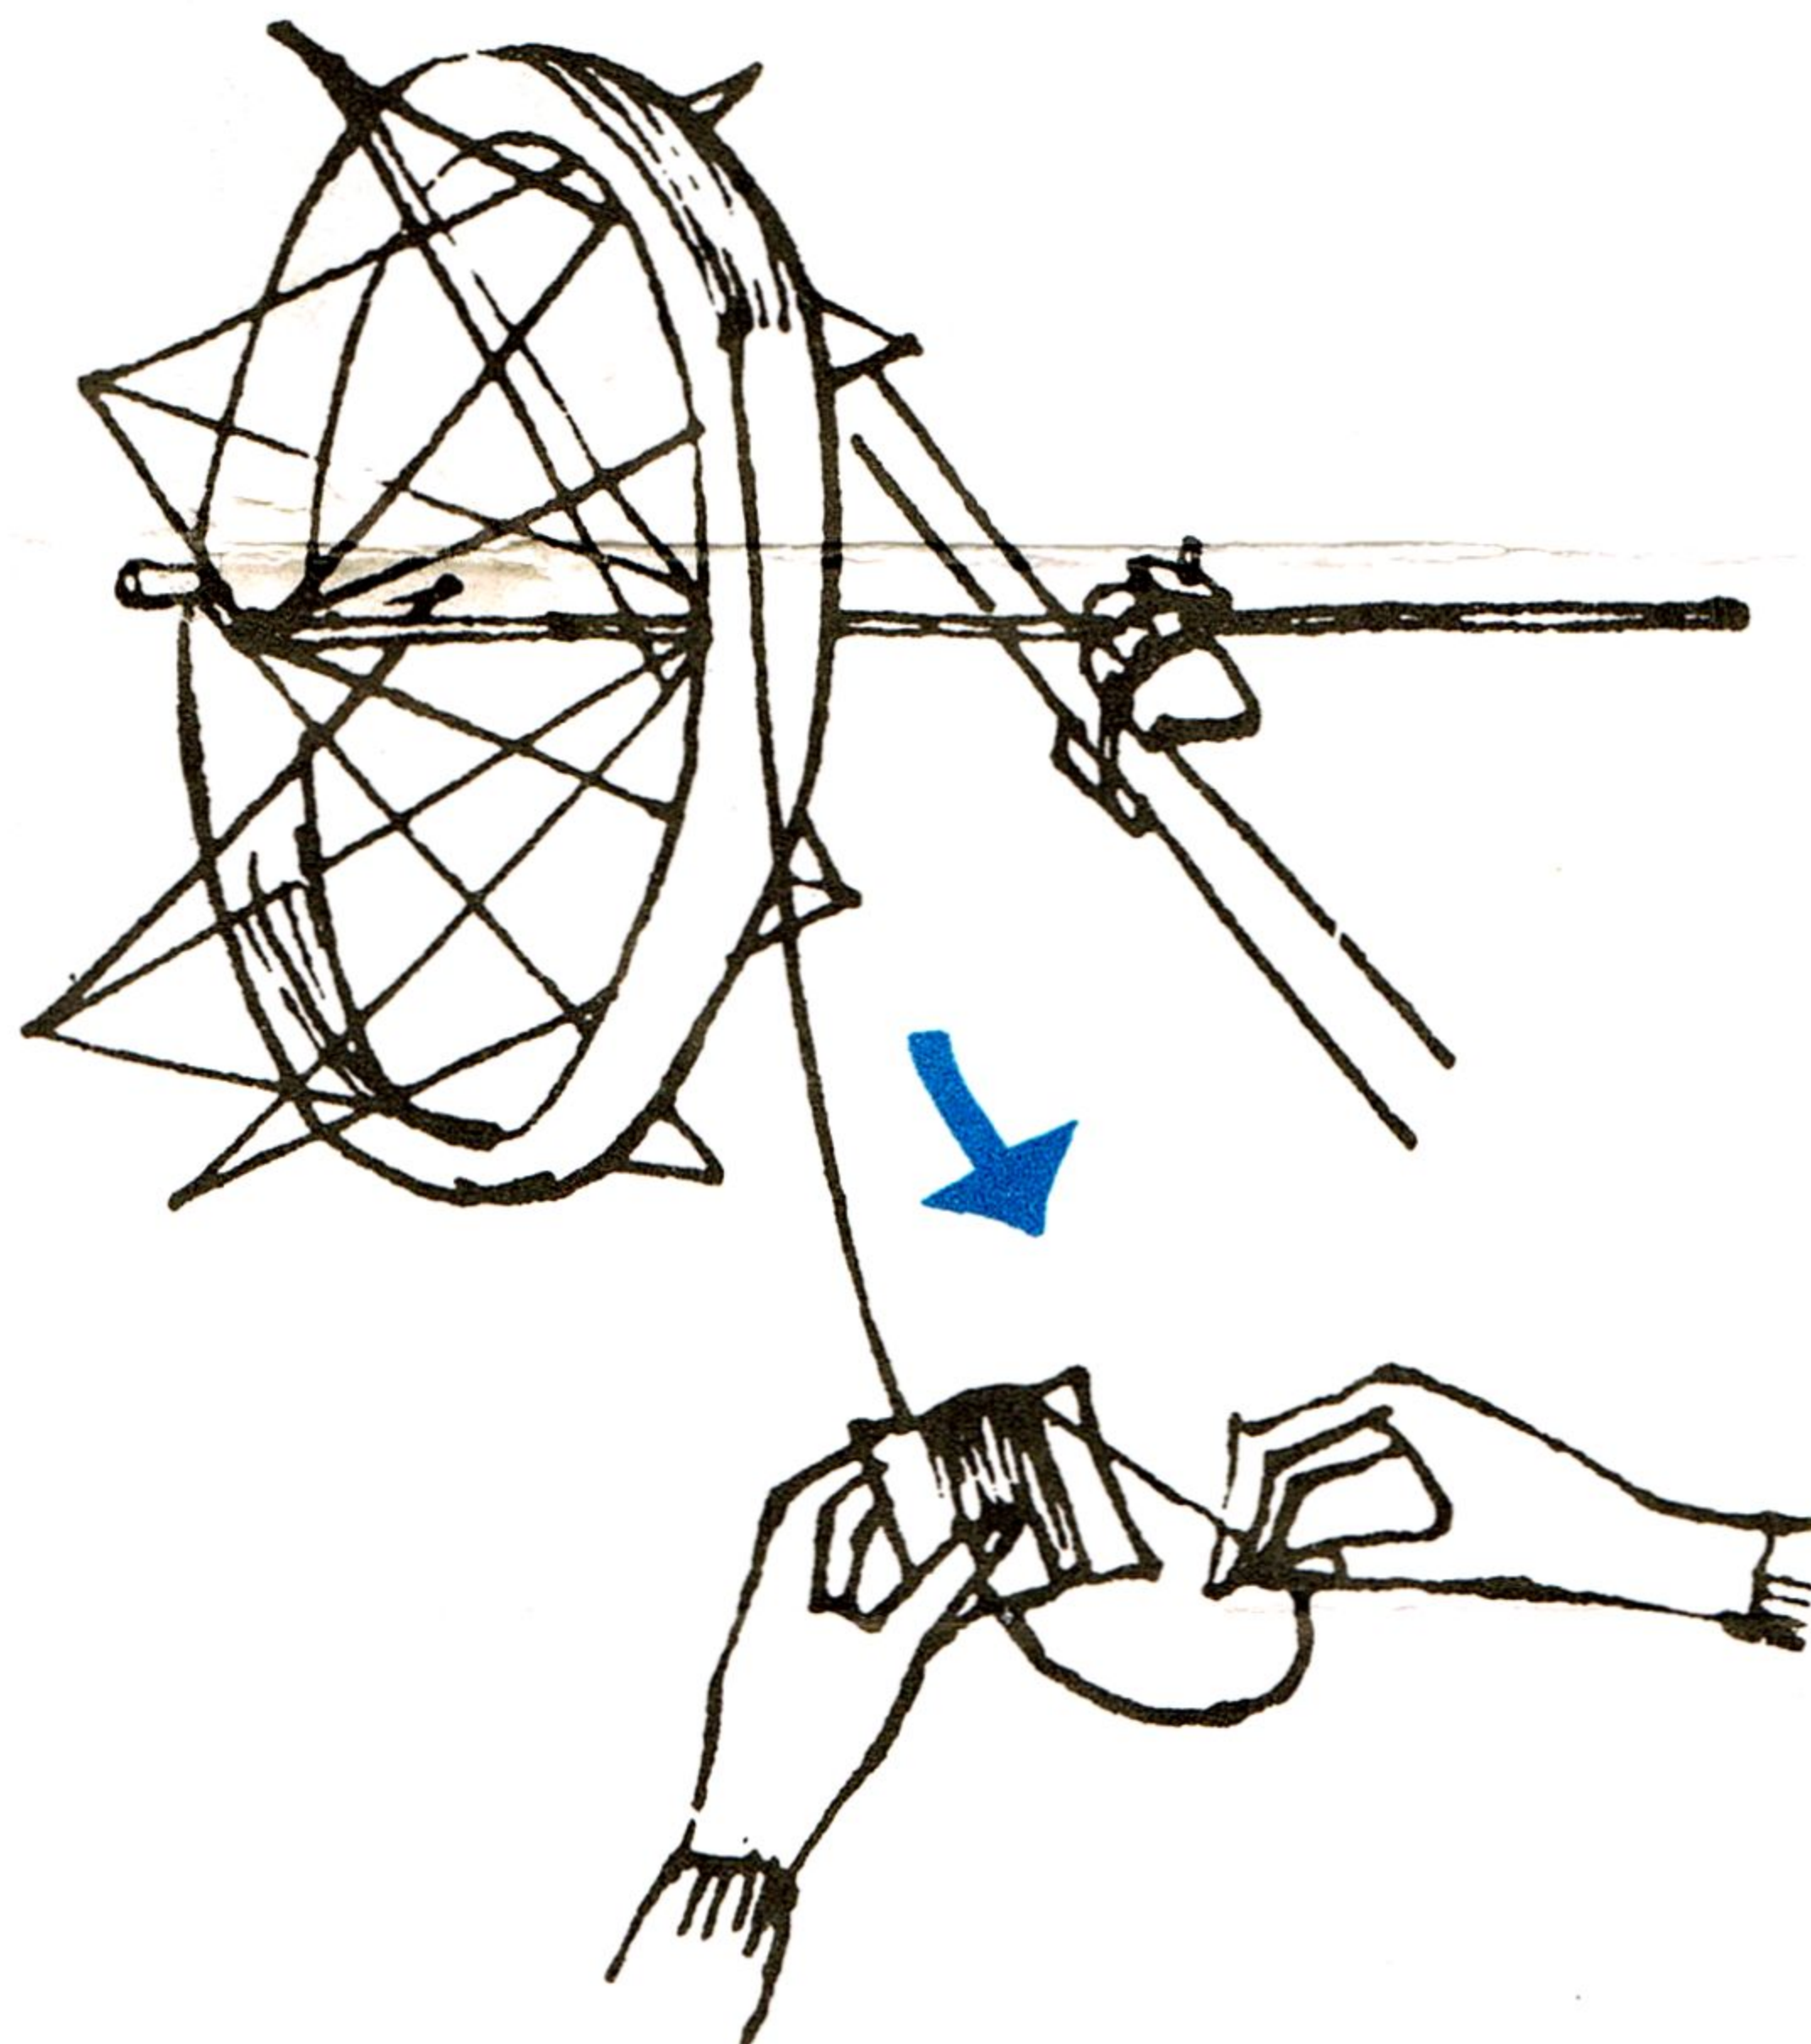

Hang the skein on vinyl ribs and push up the Stopper to spread the skein. When shut the ribs, pinching the Stopper by fingers, and let it down.

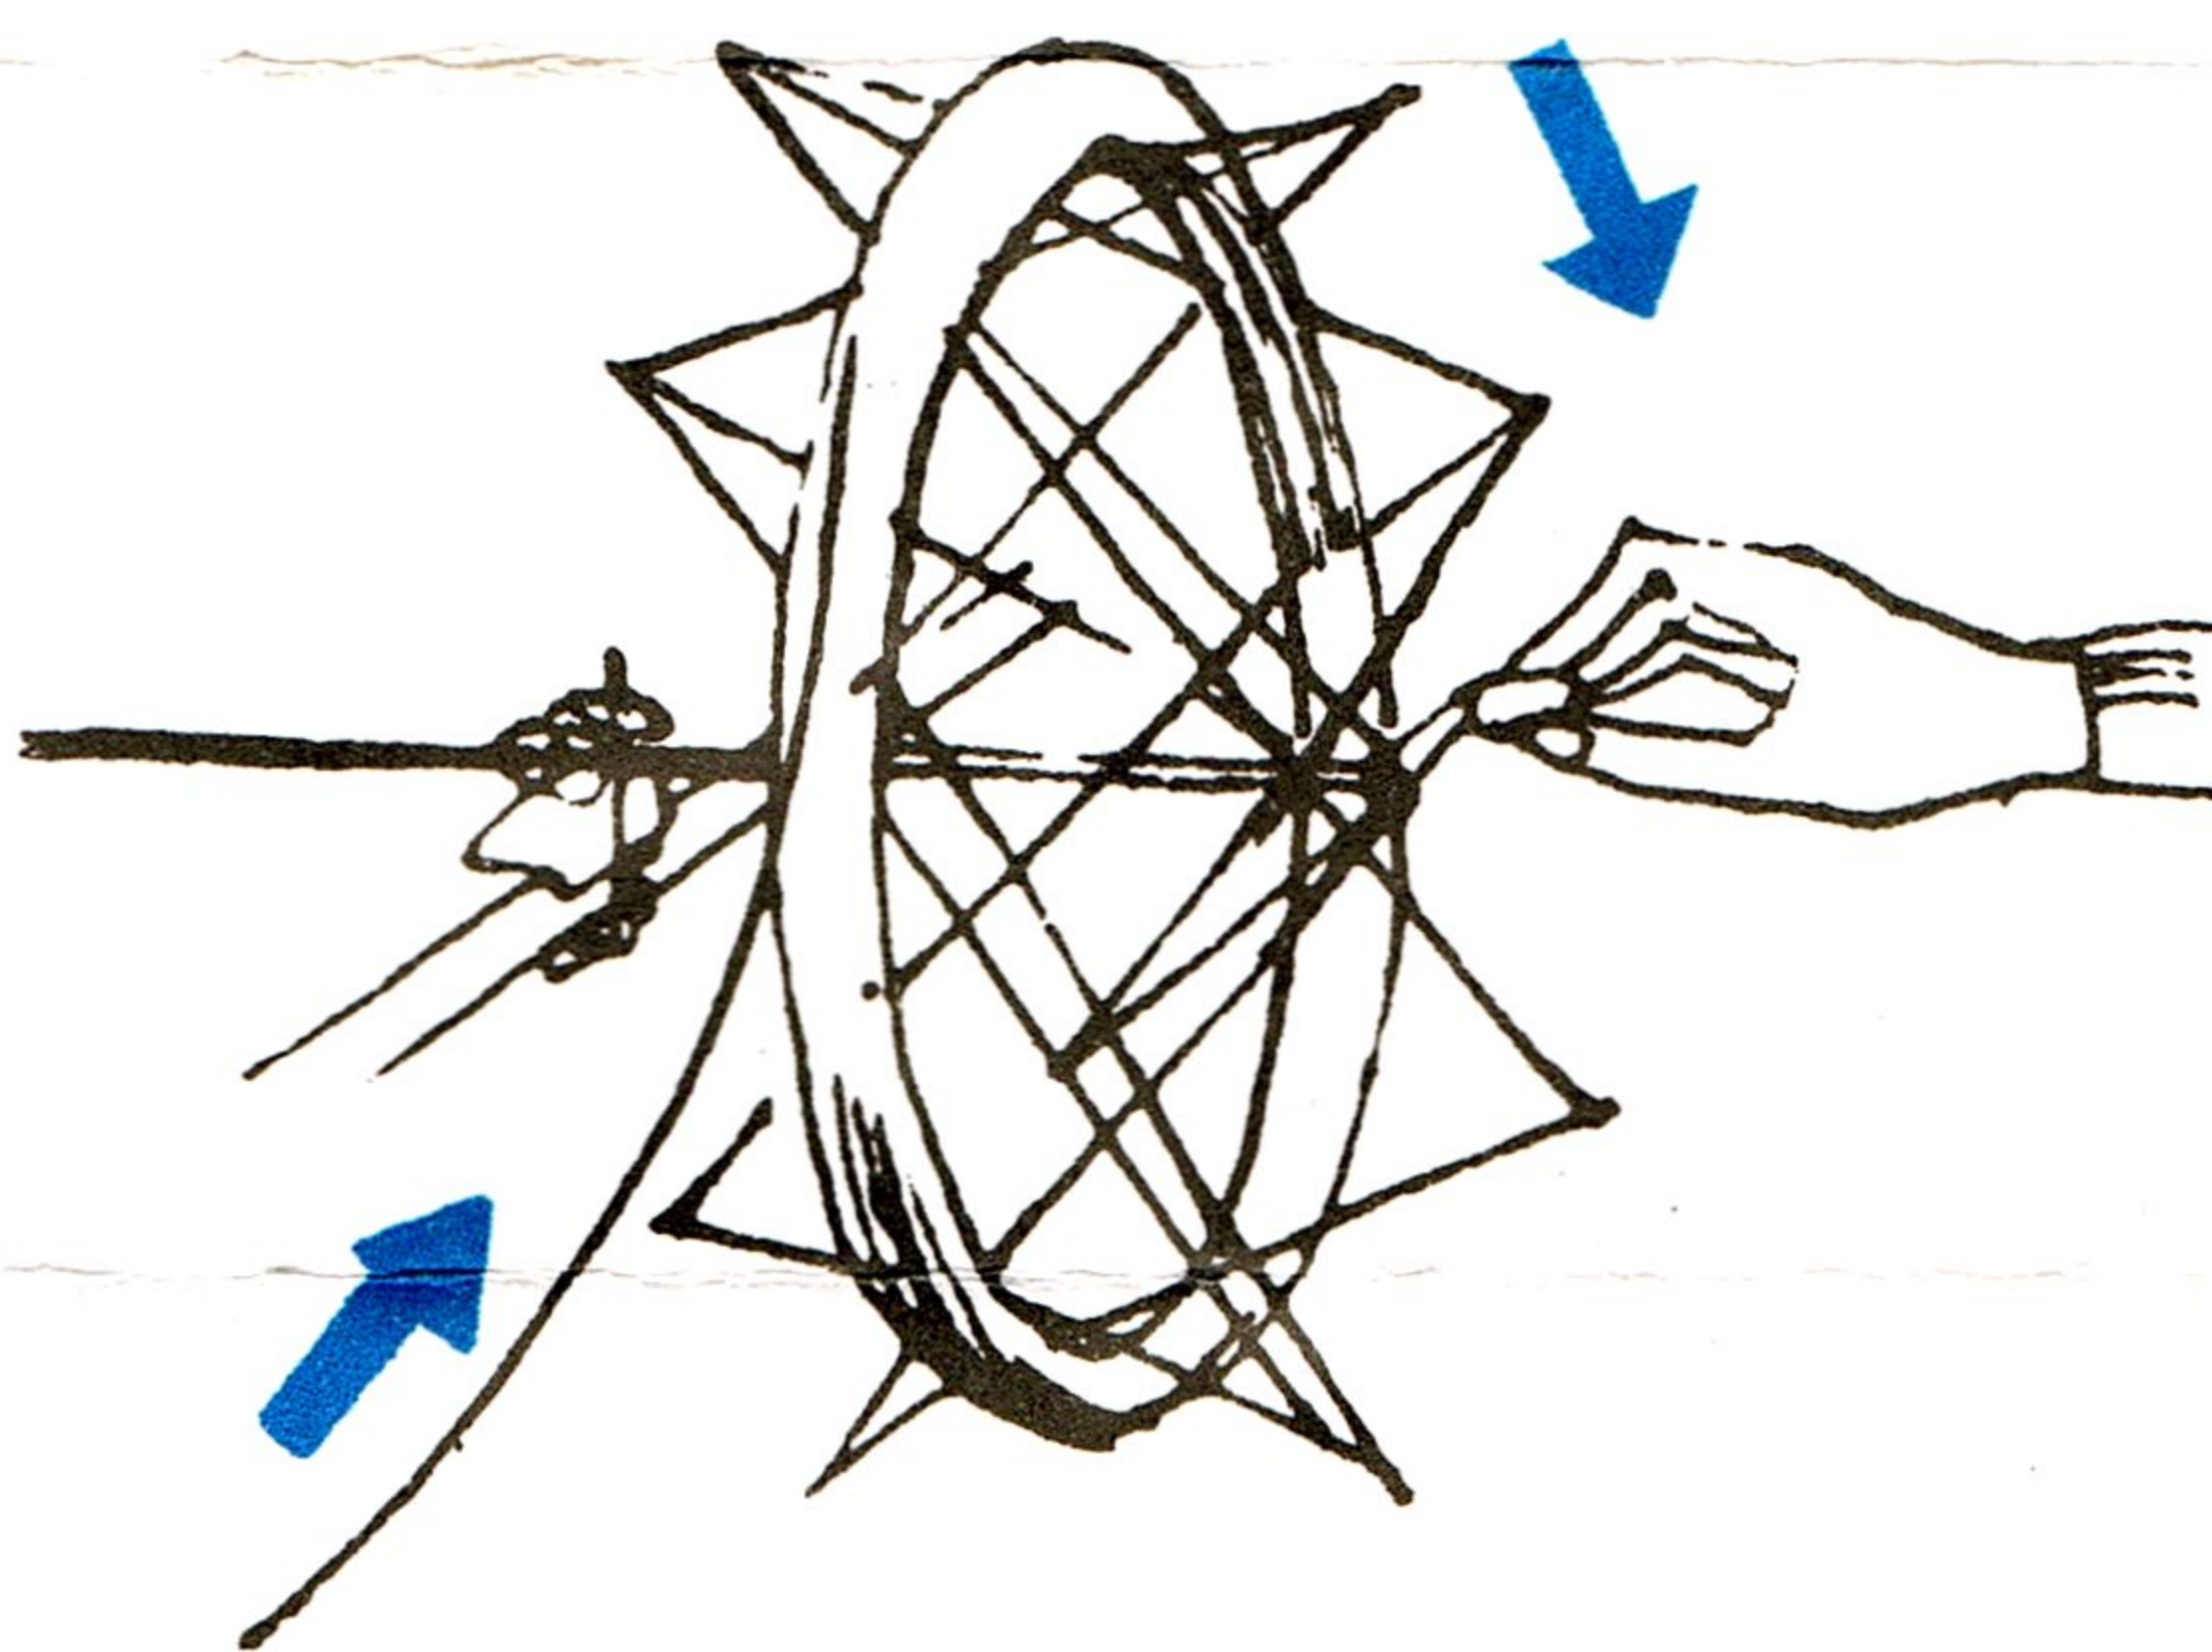

You can adjust the Skein holder to any angle by Adjuster nut.

3. How to use the Skein holder.

Winding yarn manually from Skein holder

Making up a skein

Using Skein holder together with Yarn winder
